PLEASE WALK IN

MCHS HEADS IN . . .

Changes are occurring constantly within our school. This year there have been several significant physical changes. This is the first full year that we've made use of our brand new art annex. Our business manager got a new office; English I and Health classes got new rooms. Student Council contributed a directory to the school. The art classes brightened the cafeteria by painting a mural in the window wells.

The changes haven't been exclusively physical, however. Other changes have taken place. We have added flag girls to our band as well as a Drama Club to our list of Organizations, among other things.

... NEW DIRECTIONS.

Because of the concern and involvement of our administration, faculty, and student body, we have been able to make these changes. We, as citizens, will continue to make other changes and move in new and different directions once we're out of school by using the knowledge and experience we have

gained in high school. Once we leave high school, we automatically are faced with responsibility to make the changes which are necessary to better our world.

Change is a part of life. There'll always be changes in our world. We will always be moving in NEW DIRECTIONS.

Fifty years of growth

Fifty years ago our grandparents were shaping the world towards what it is today. The world has changed in many ways because of these people and their involvement with this earth. Many of the changes they have wrought are excellent; some still need improvement.

Fifty years ago, we traveled inside

steel coaches of the steam-powered train. Our cities were smaller; people seemed less remote.

Today, cities seem huge and impersonal, in comparison. As for transportation, streamlined commuter trains speed hundreds of thousands to work daily.

and Change

In our industrialized world, time and distance pose no problem. Communication across continents is possible in a matter of seconds. Man has been to the moon and back. There exist many machines and factories with productive capacities undreamed of a short ten years ago.

Look back at what our grandparents and parents have accomplished. WHAT WILL WE DO WITH OUR FIFTY YEARS OF INVOLVEMENT? Think about it.

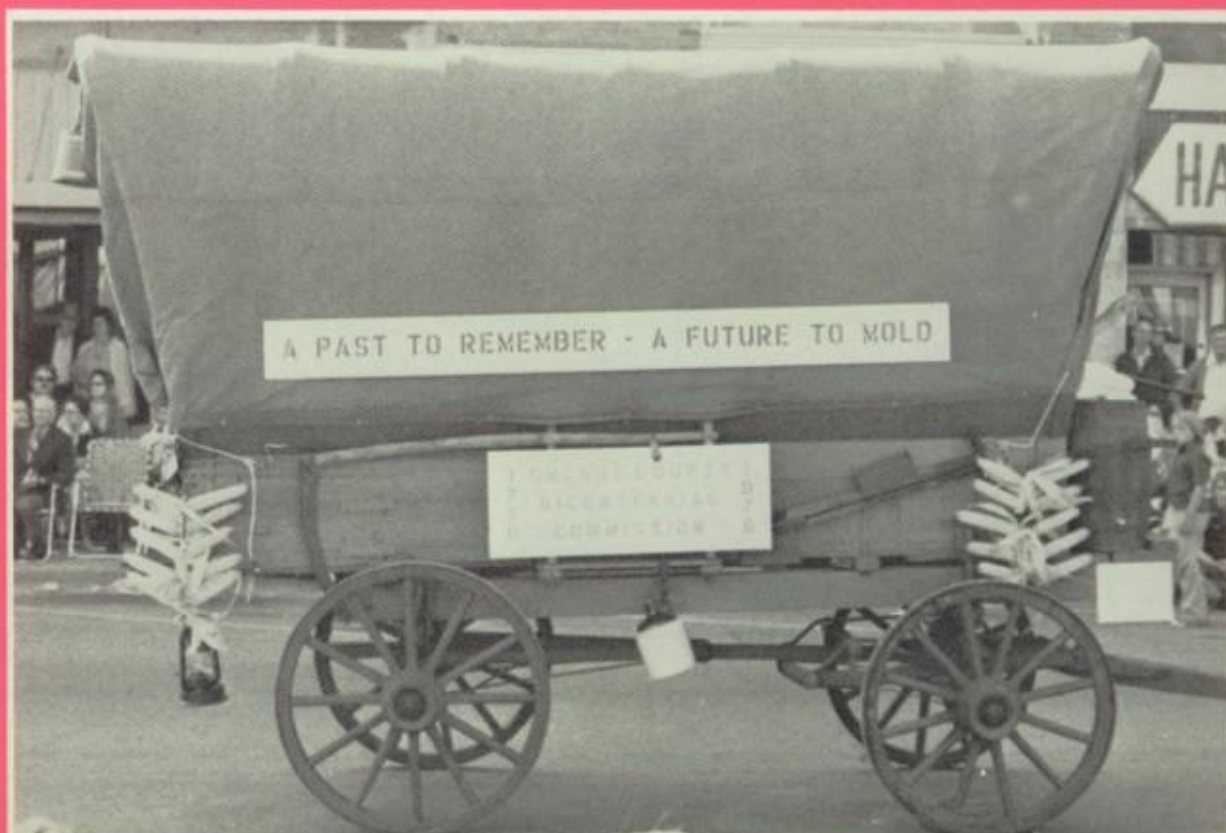

Our country's Bicentennial celebration begins

Two hundred years ago our country originated. With true American pride, citizens all over the country have begun their celebration of our nation's Bicentennial. We're celebrating two hundred years of progress-progress which has led our country in all directions. And we're still going in new directions.

Morris celebrated by holding a

three-day festival: "Days of Shabbona". The Bicentennial celebration is evident at MCHS as well. Besides the mural in the cafeteria, presented by the art classes, a Bicentennial Flag was presented by Student Council. Our Homecoming theme was "Bicentennial". Happy Birthday, America!

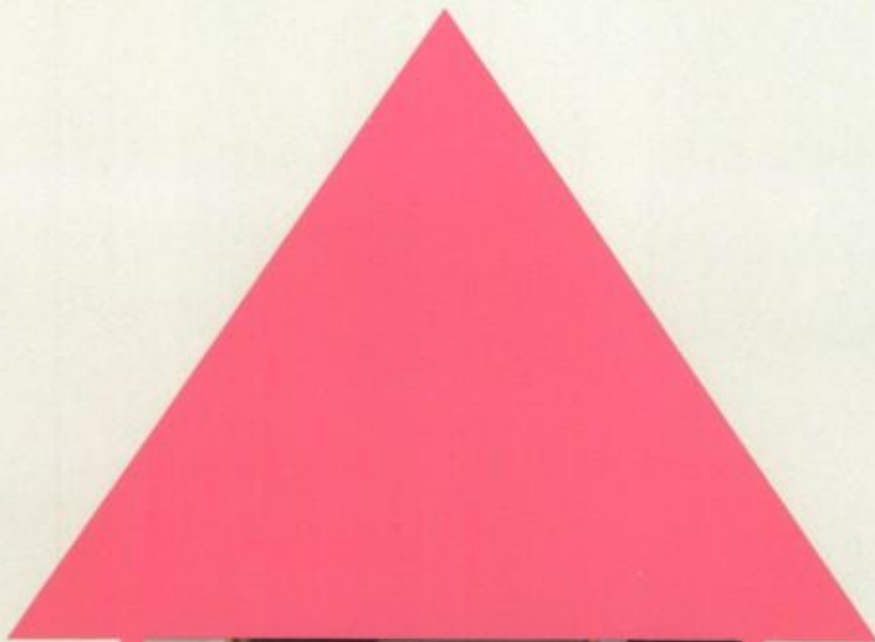

Chief staff dedicates the 1976 yearbook to MR. JOHNSTON!

Mr. Johnston, known affectionately by his students as "Mr. Wally", has a rare kind of humor that makes his English III and Speech classes stimulating. Notorious for his 2%'s, Mr. Wally nevertheless manages to keep the atmos-

phere of his classes informal and sometimes even fun!

In addition to teaching these classes, Mr. Wally has, for the past two years, directed the junior class play.

Good luck, Mr. Wally!

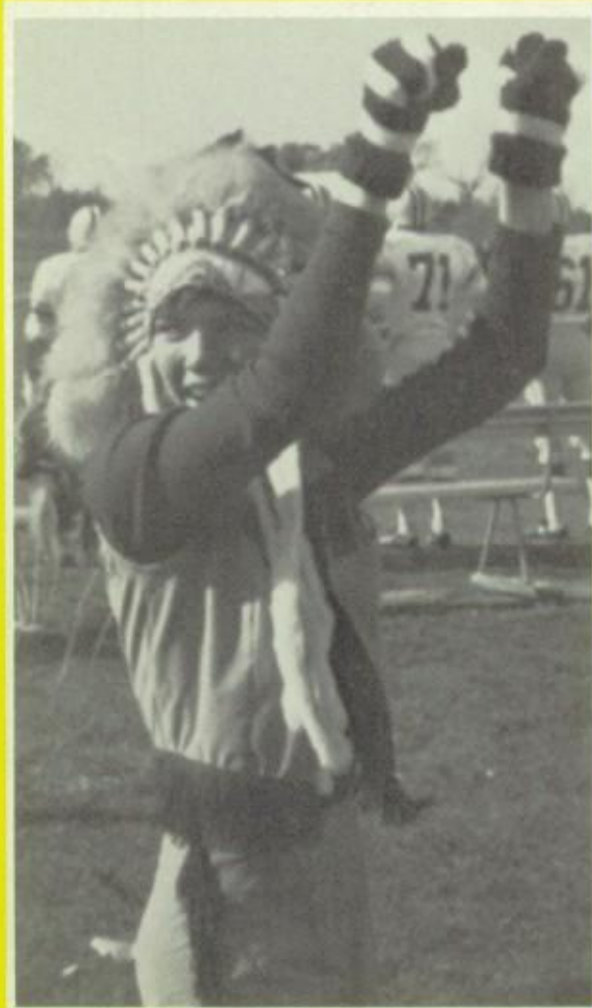

As we find ourselves in a multitude of situations, we learn to relax and enjoy ourselves whenever it's possible; at pep rallies, proms, even in the good old cafeteria. During these times, we're expanding our views, goals, and friendships. And we're learning to extend and to improve our levels of . .

AWARENESS

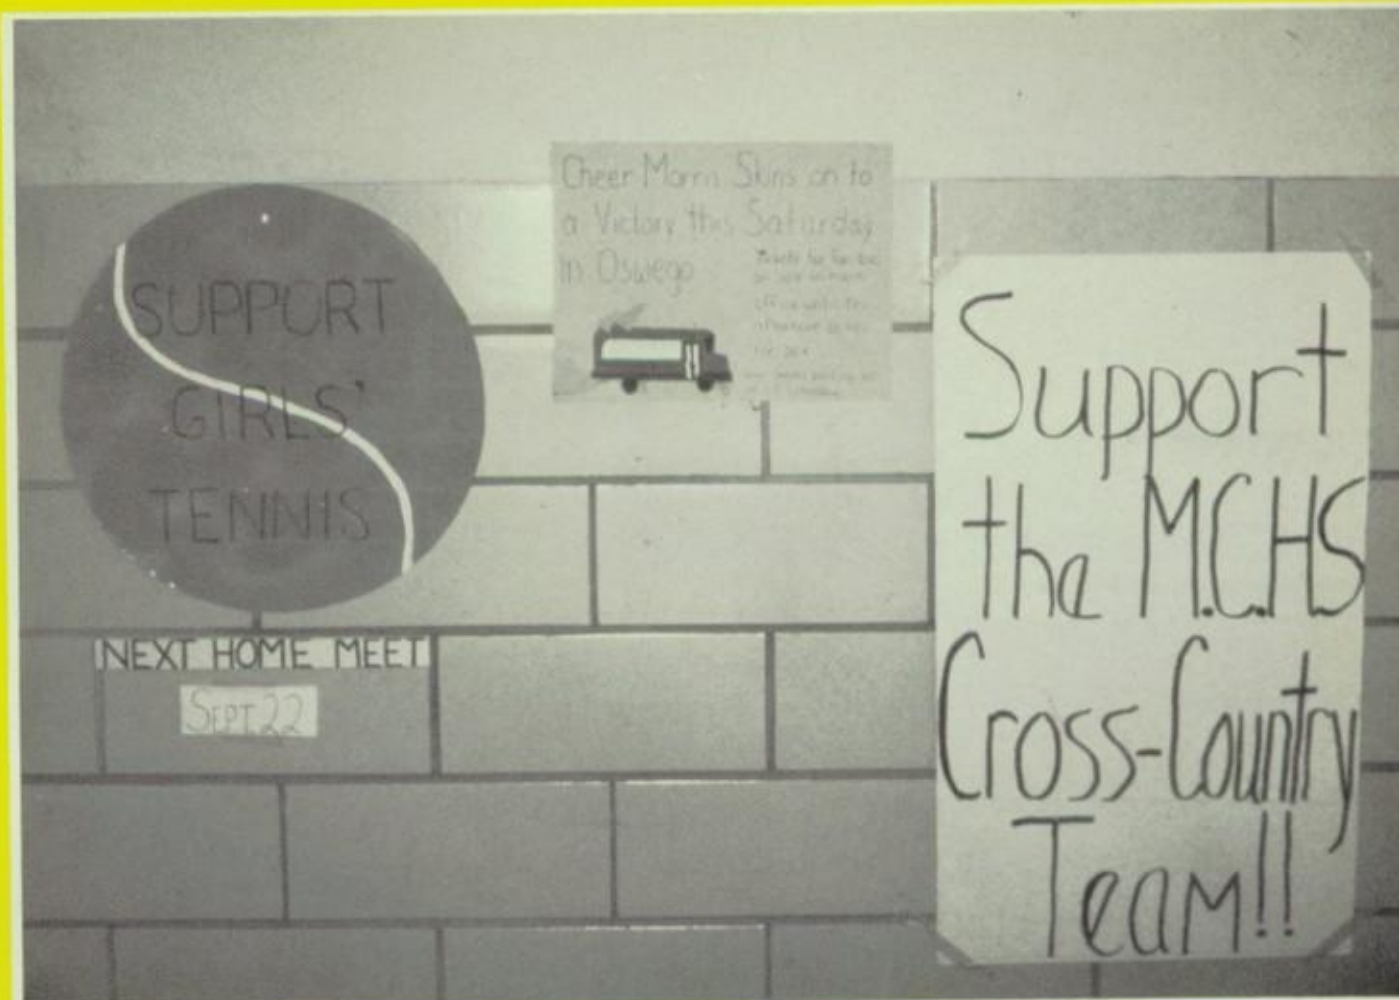

Spirit stays high throughout the entire football season!

Although the football team's win-loss record wasn't good, the spirit of the fans stayed high. Loyal Redskin fans were always at the home games, filling up the bleachers and cheering the guys on. Getting enough students to sign up for the away games was never a problem either. All season, posters were up faithfully, urging fans to root at the

games. The cheerleaders did their part to keep spirit going too. They put on several pep assemblies in which competition for the spirit stick was always fierce. The band was an important spirit booster this year. They sat in special bleachers and always yelled loudly for competition cheers. After every touchdown, they played our school song.

Lunch provides time for relaxation.

Lunch period gave students and teachers time during the school day to relax and unwind. Students interacted with teachers as well as their

peers. Some used this time to visit the student council store. The practice of leaving campus during lunch was cut sharply when the school

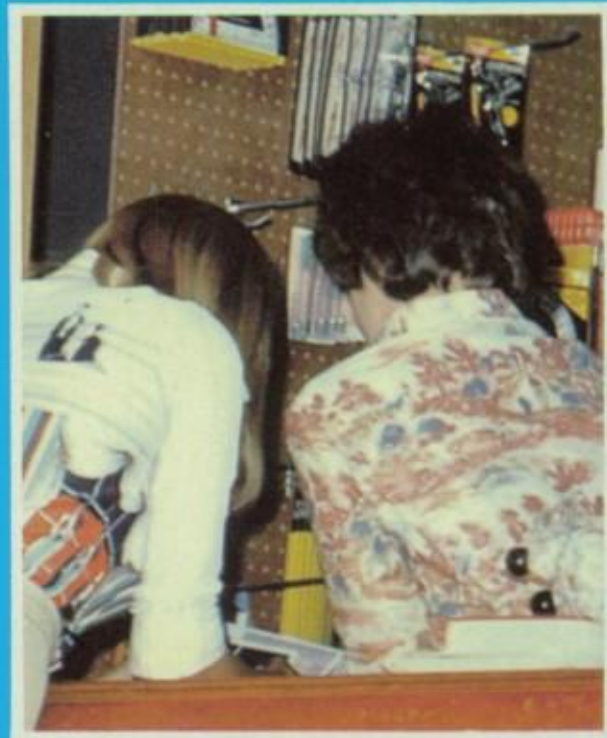

hired a parking lot attendant. As a result, more upperclassmen started to eat in the cafeteria. The majority of lunches were finished and trays returned empty.

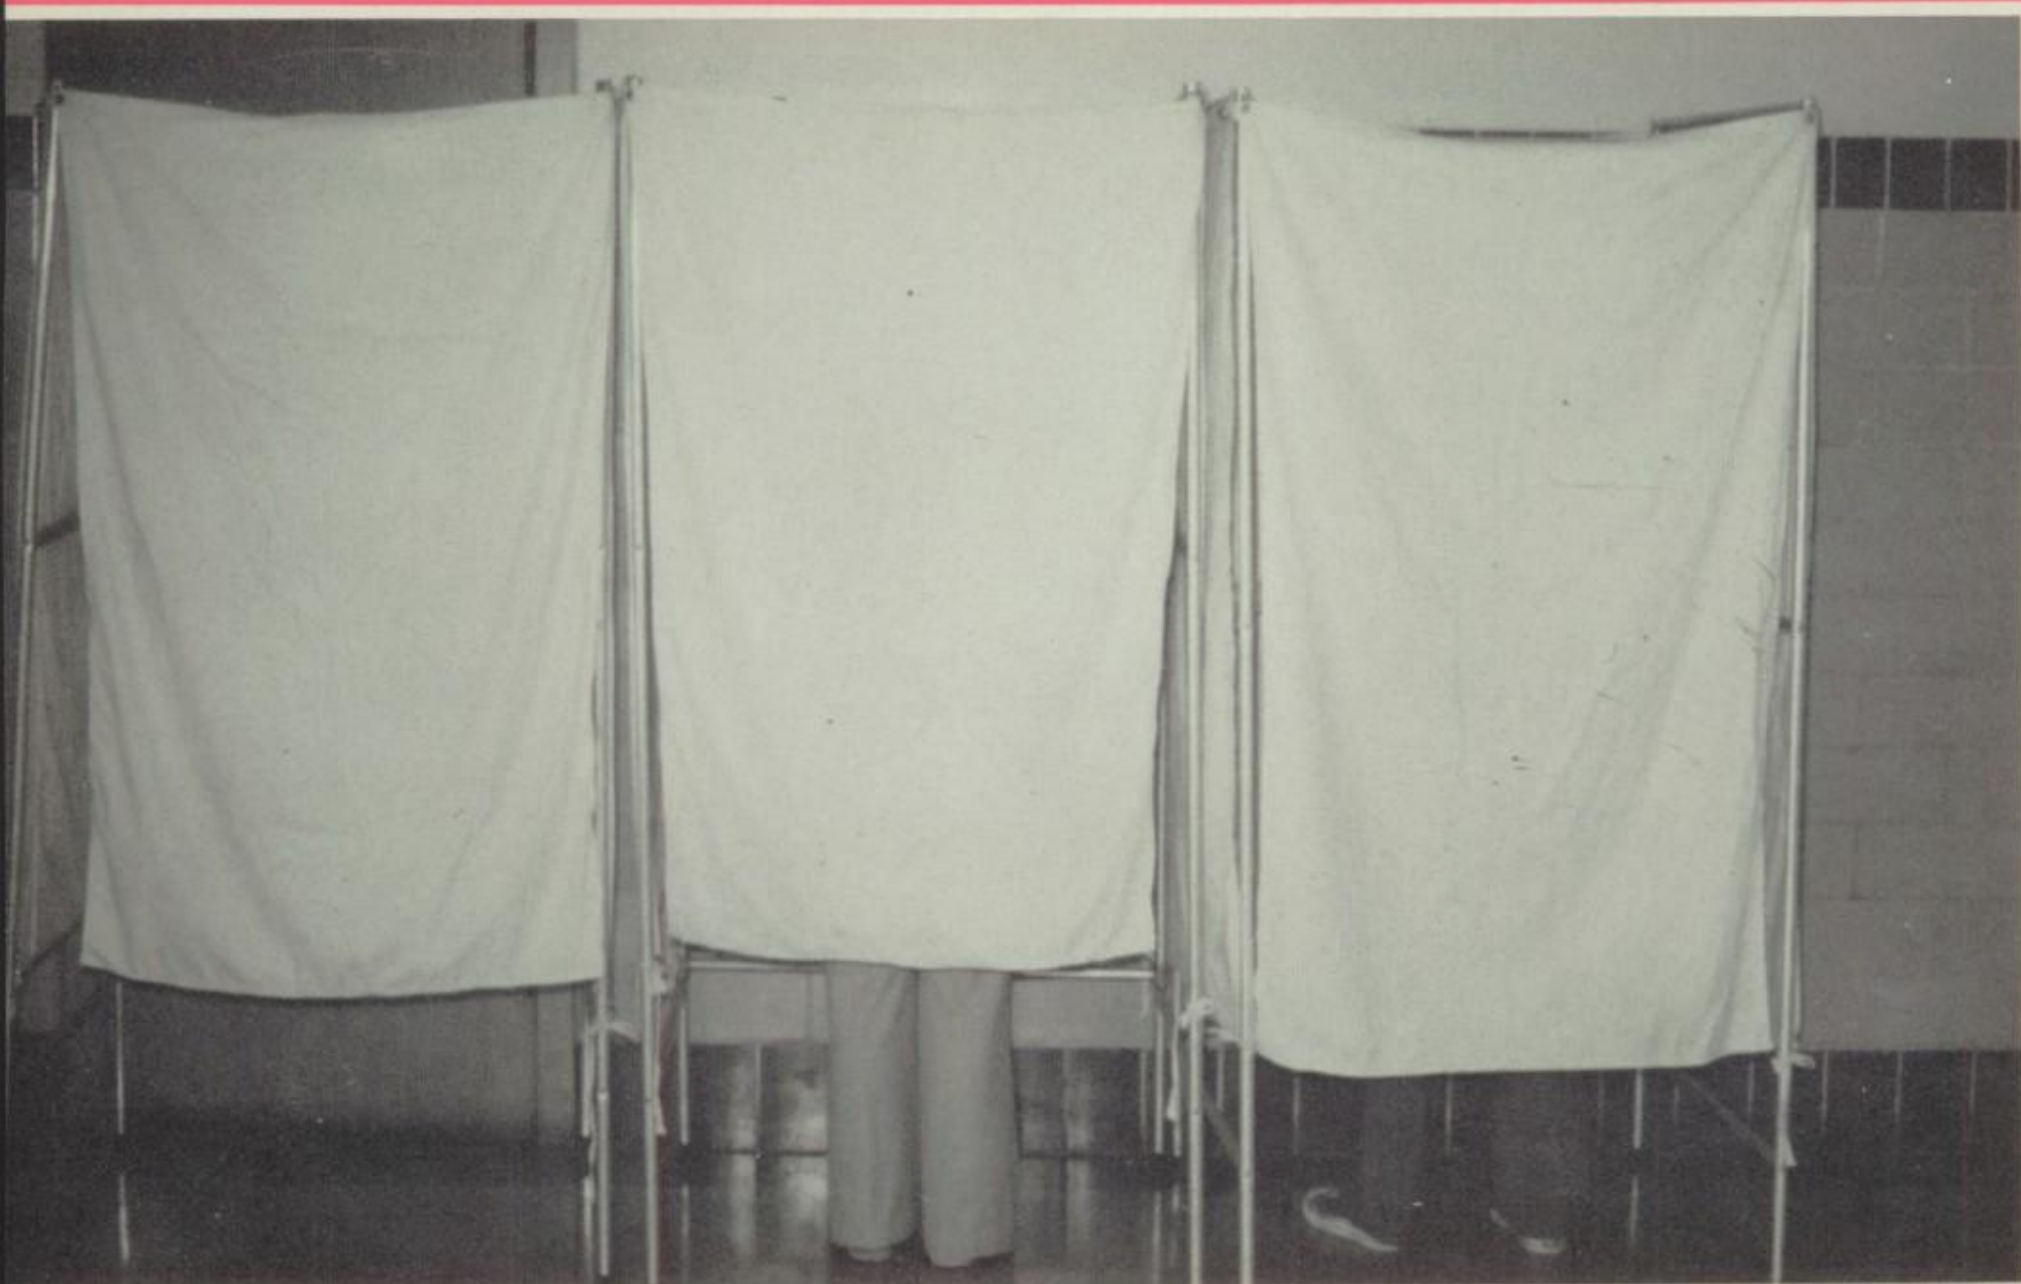

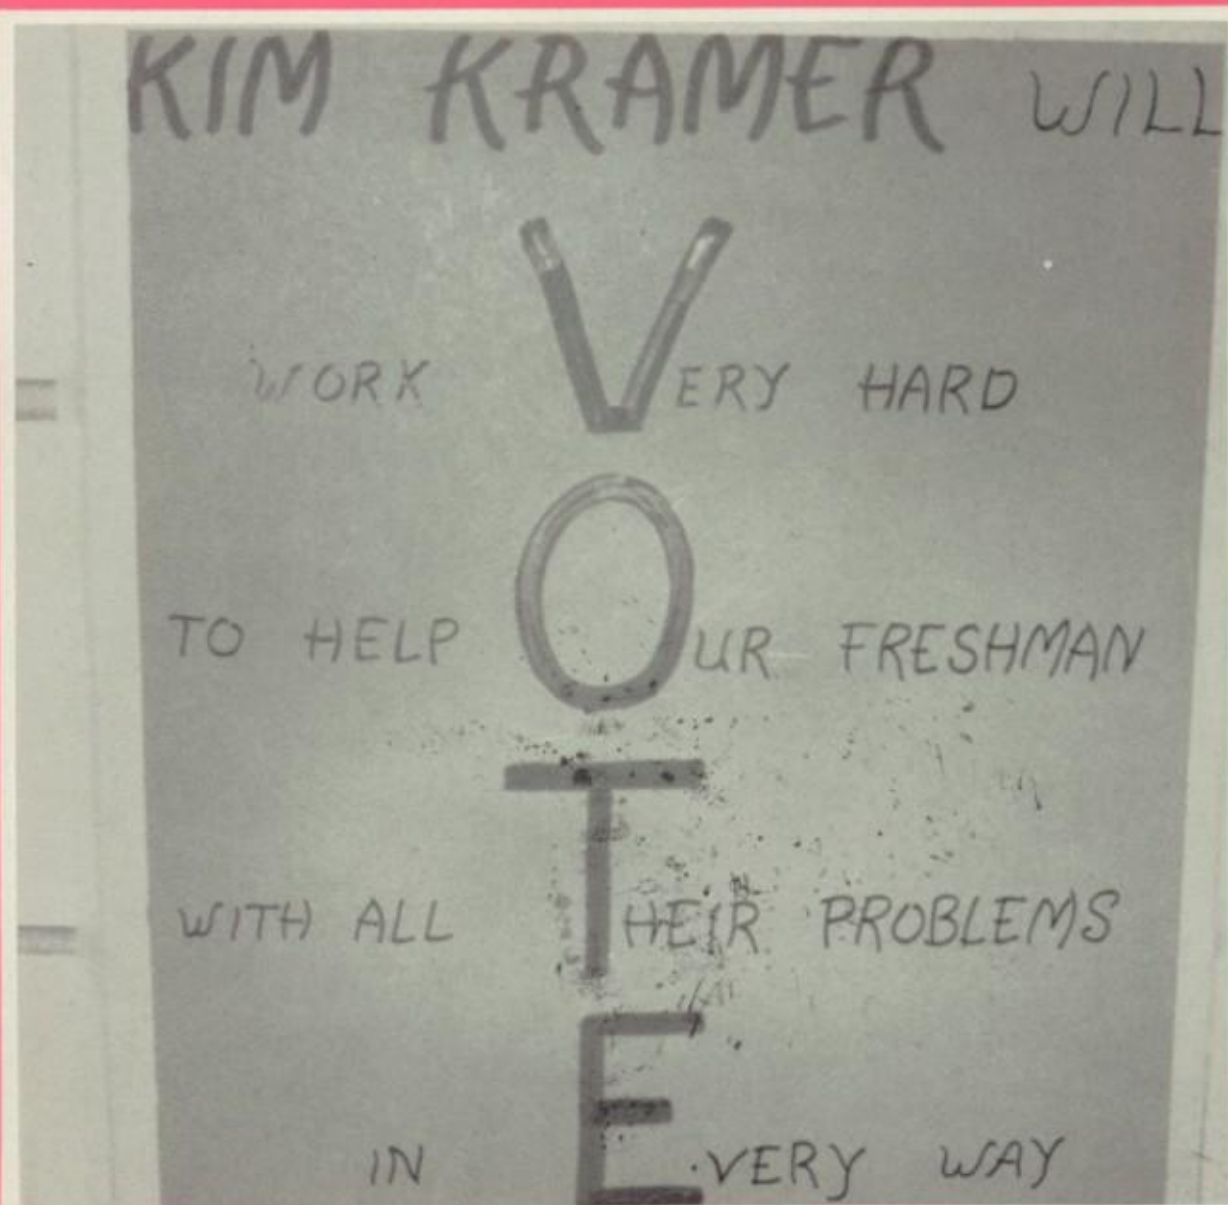

There were several changes this year. A new heat lamp was pur-

chased to keep hot items warm. Students got the opportunity to buy Hostess snack cakes for a period of time. Menus began to be announced every day, and it became easier to purchase a lunch on a daily basis without a lunch ticket.

Freshmen hold elections in fall.

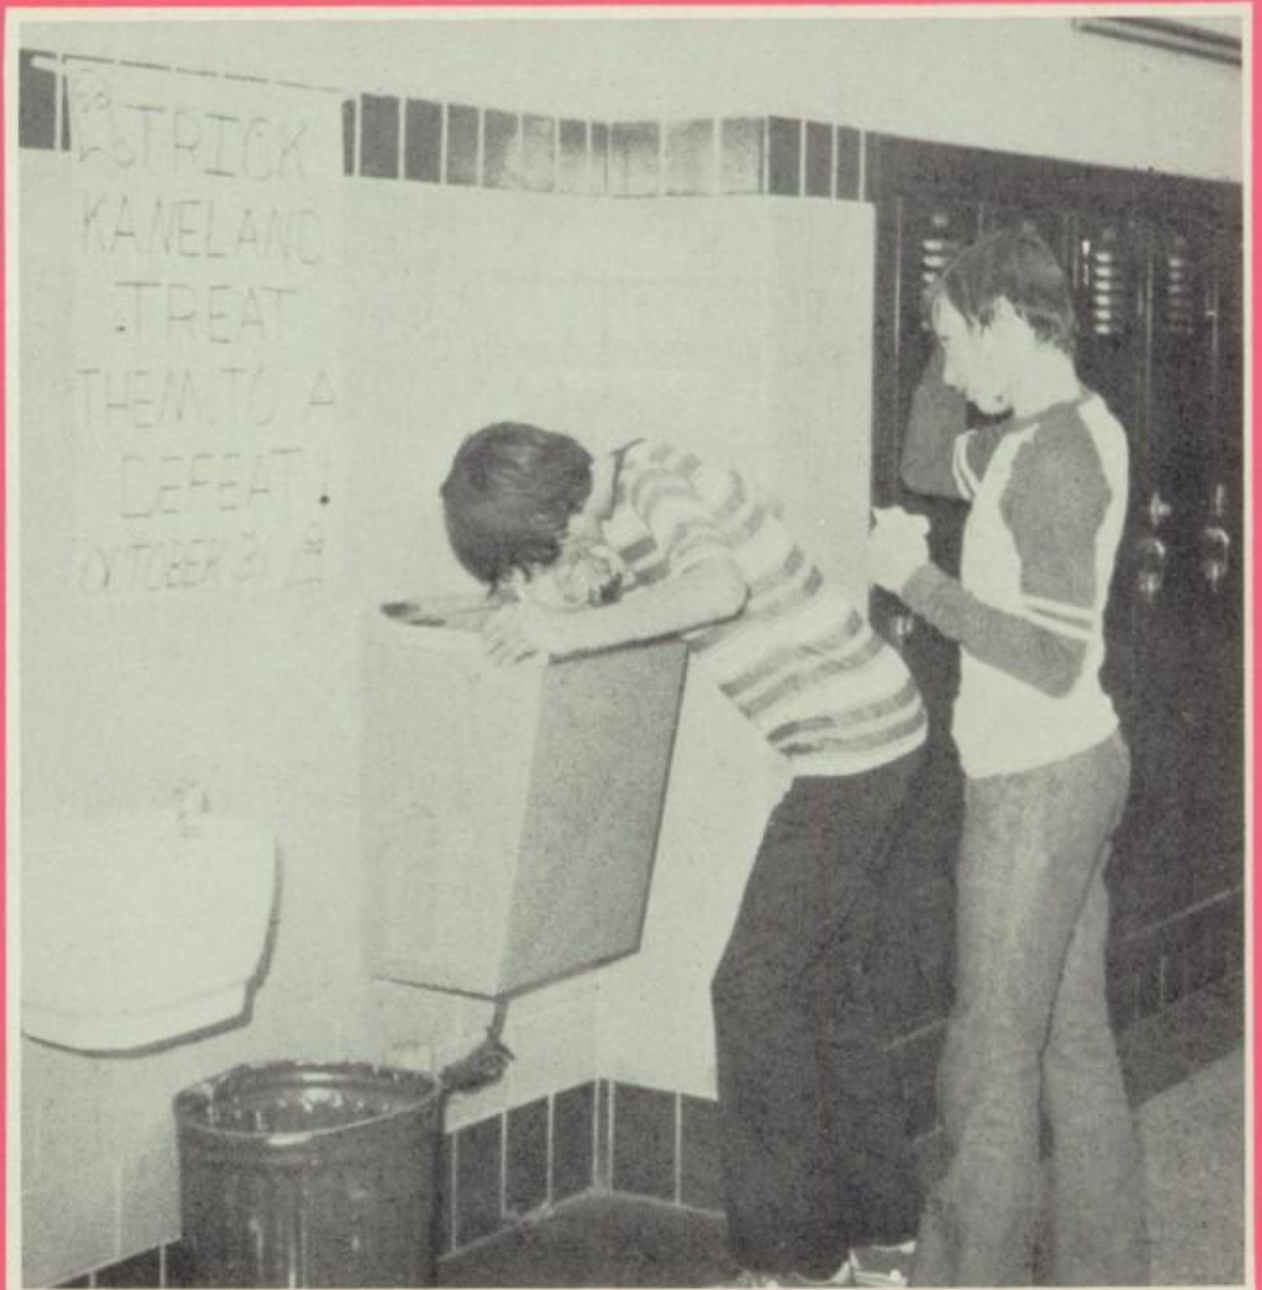

For one week the walls of the school were plastered with political posters. The spirited freshmen had several candidates running for each office. A special assembly was held which enabled the freshmen to hear what each candidate had to say to help their campaign. That same day, the voting booths were set up in the gym lobby. The freshmen were given the opportunity to vote during their lunch periods. According to Mr. Corsello, a large percentage of voters turned out. The results of the election were announced over the intercom several days later.

Halls are never empty.

Even during class, there always seemed to be someone in the halls. As for between classes, it was hard to imagine that they could have been more crowded. "Traffic jams" were an everyday occurrence, especially on the stairs.

Student Body finds cheerleaders' first pep assembly skit hilarious.

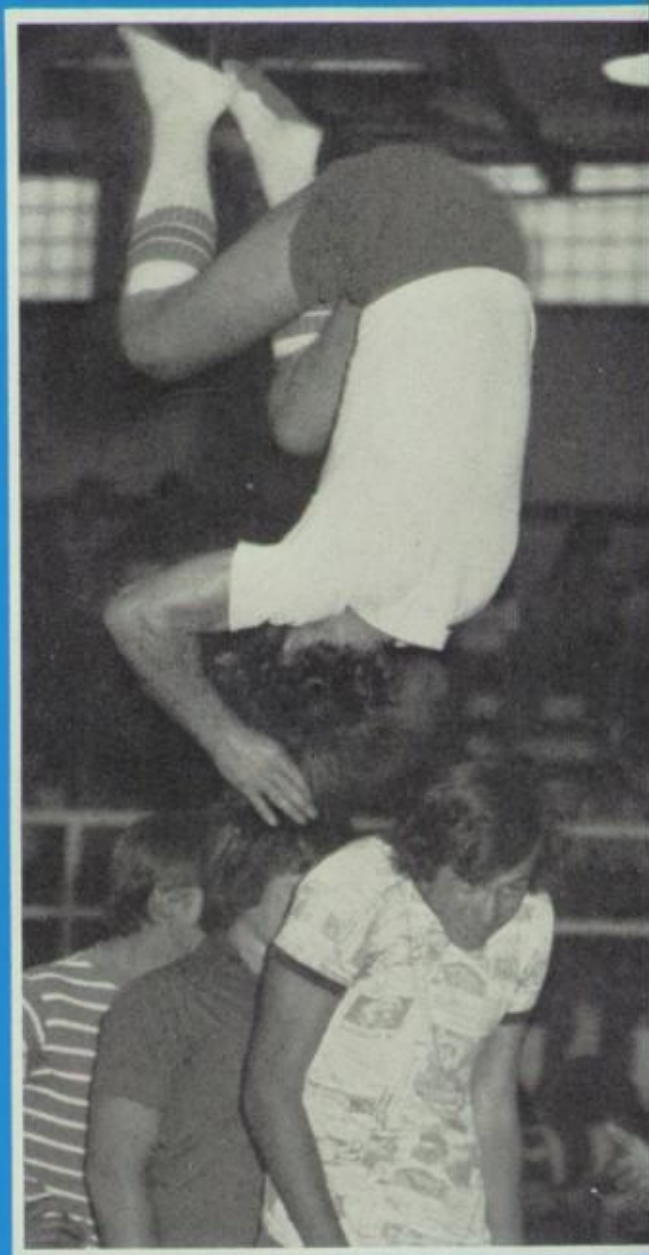

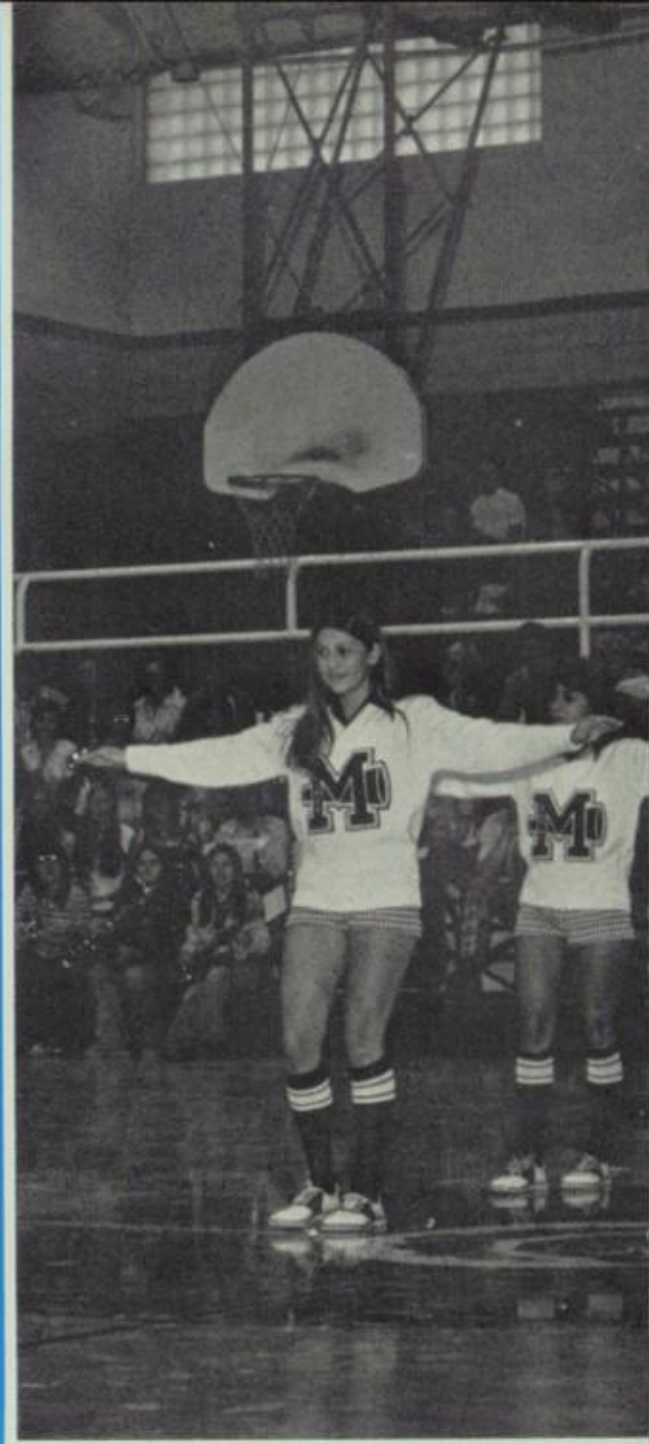

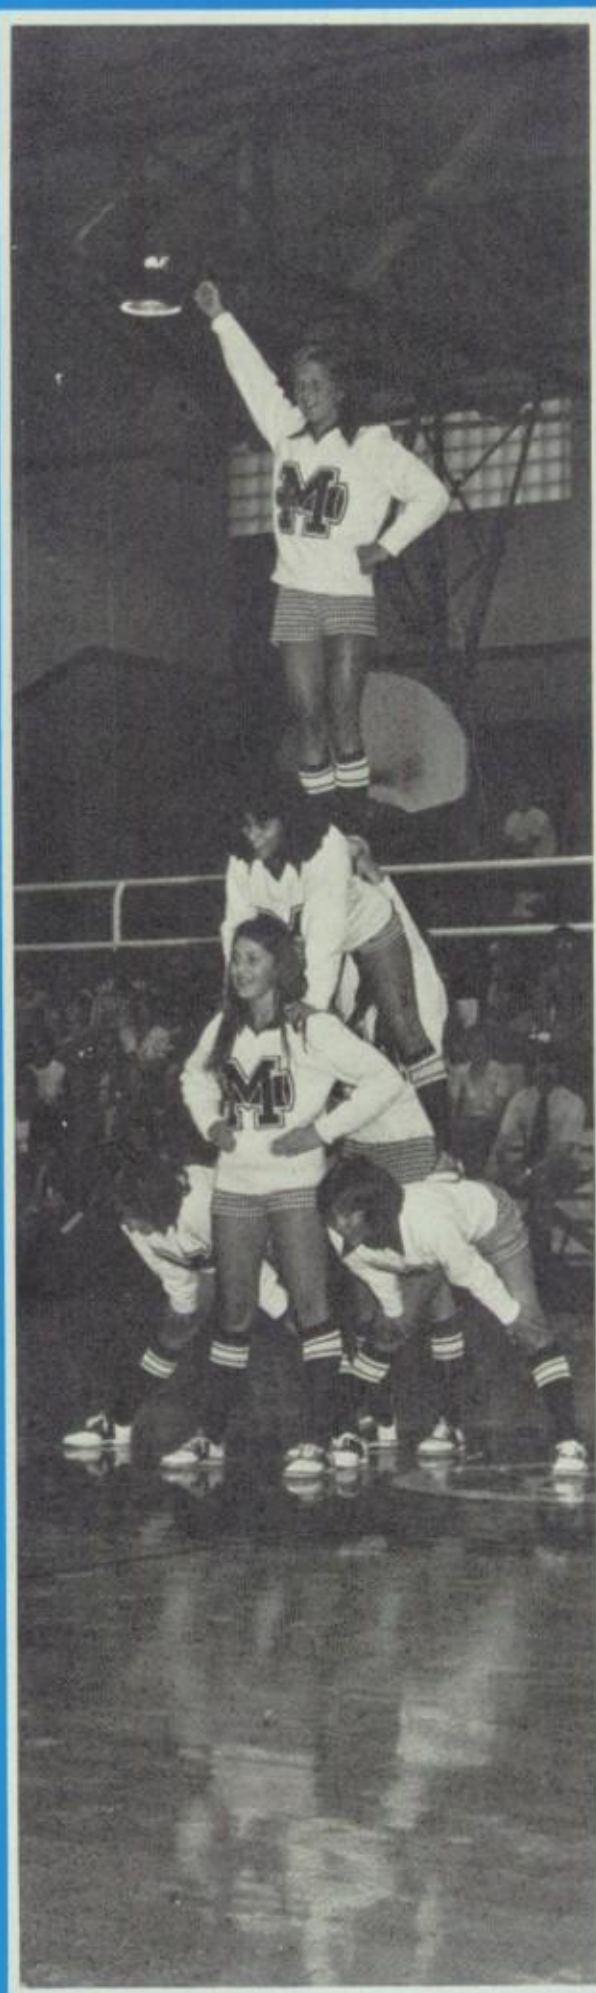

The student body got a laugh out of the cheerleader's first skit of the year. It was about the origin of MCHS. "Mother Spirit" presented "Mary MCHS" with all sorts of spirit boosters but not until "Mother Spirit" sprinkled "spirit dust" over them was everything perfect. In addition to the skit, the cheerleaders taught and led cheers.

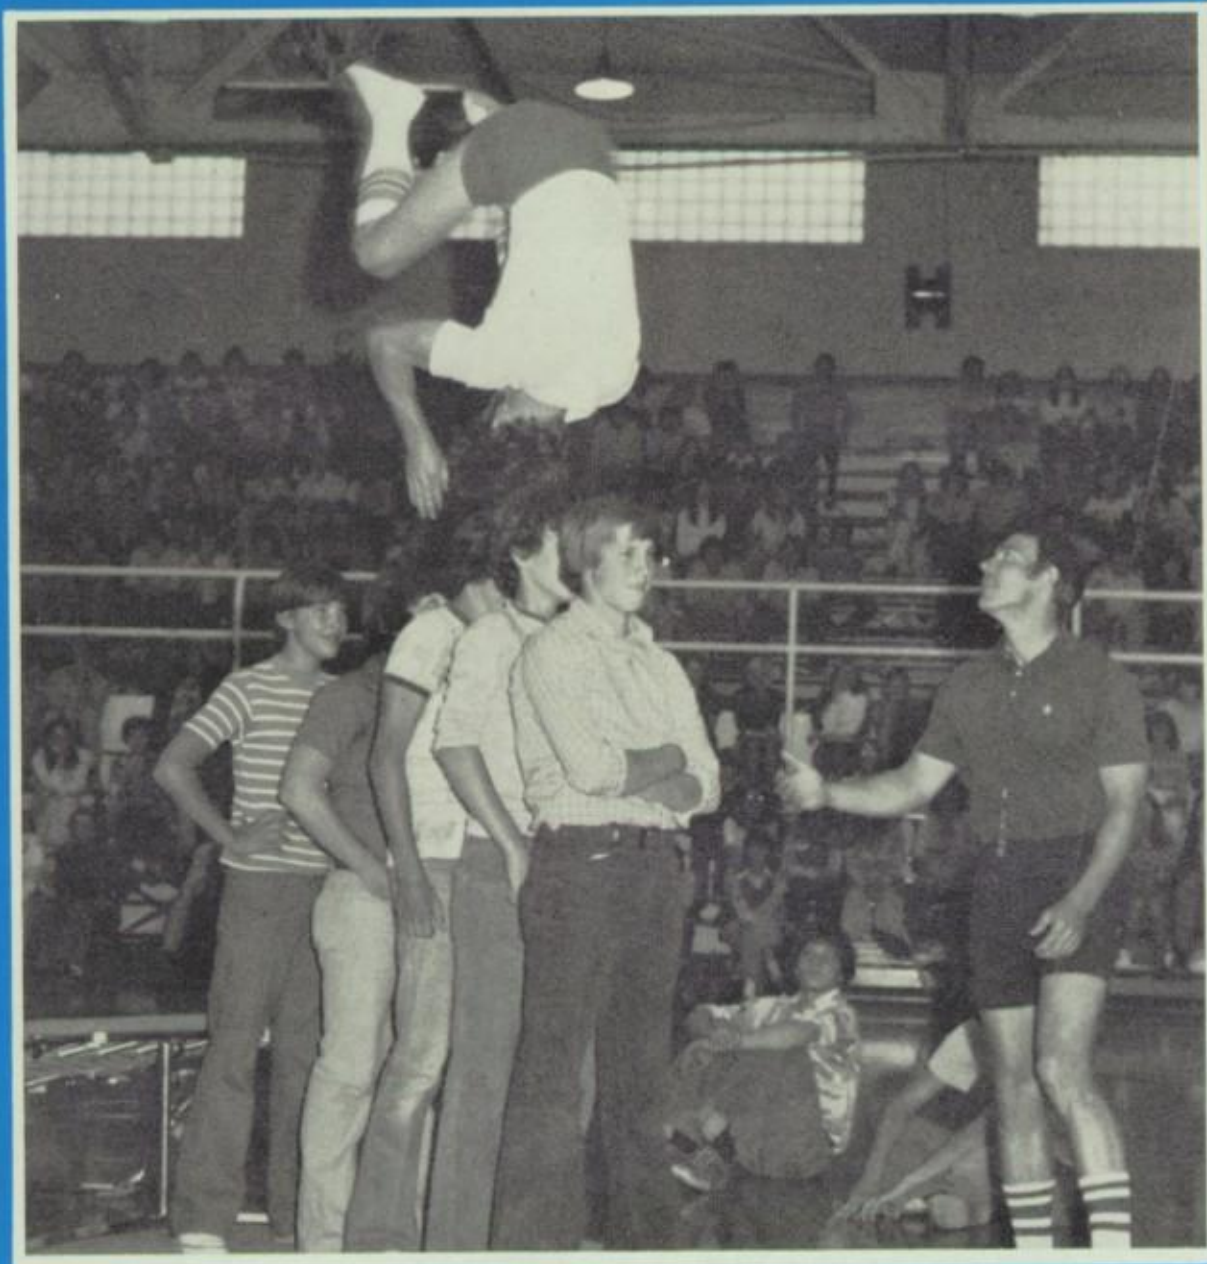

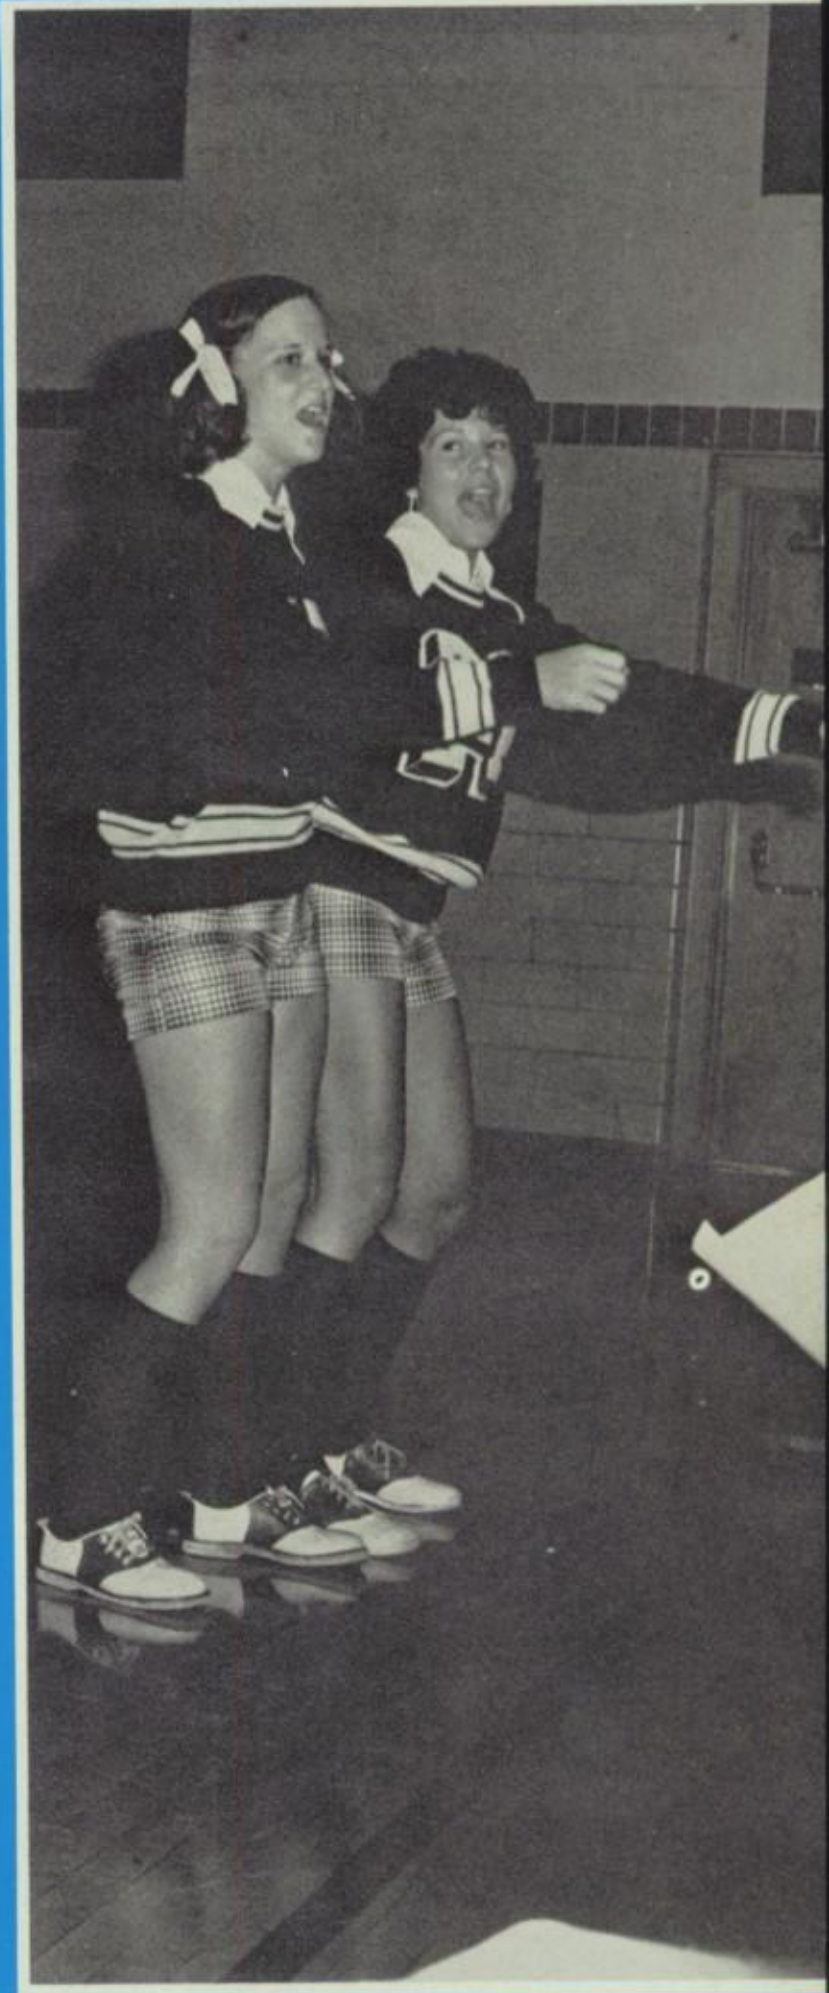

Trampolinist holds the Student Body's interest.

Besides the assemblies put on by our cheerleaders, we also had some professional entertainment. An excellent trampolinist gave an assembly in October. To the amazement of everyone, he performed incredible feats such as somersaulting over five boys.

MCHS students get involved in the Corn Festival parade.

Beautiful weather during the entire weekend helped make the 1975 Corn Festival a success. There was maximum participation in most

events, with the parade drawing over 30,000 people. The fireworks display traditionally concluded the festival.

Floats + Football: A weekend of competition

Homecoming was a time of great competition for everything: floats, fence decks, and football (male and female). The freshmen won the float competition; juniors came in 2nd. The senior float captured 3rd, and the sophomores came in last. This year Morris Music Boosters had a float in the parade also.

The football games Sat. afternoon reflected the weather-gloomy. Morris lost both by scores of 16-0 and 42-8. Yet the spirit of the fans held up even if the bleacher decorations didn't.

Blithe Spirit features new talent.

Blithe Spirit, a comedy about spiritualism, gave opportunities to many in the drama world. Four of the actors made their debuts: Ruth Gerecke, Sue Morse, Joelyn Bednarik and Jayne Bednarik. The play was Miss Jill Garzone's first experience in directing a major play at M.C.H.S. Other actors were Bruce Enger, Lisa Smith, and Mark Perry.

Junior girls skunked the senior girls.

Spirit seemed to rise this year when our upper classmen competed in the girls' football game, with Mr. Eaton, and Mr. Talerico as the referees. The game followed the Homecoming snake dance. It was a hard fought battle, but the Juniors emerged as the victors by an 18-0 score.

First row: Kathy Miller, Linda Moberg, Sue Behrens, Tammy Perry, Tammy Frisby, Mary Hougas, Pam Carter, Julie Sullivan, and Donna Brown.

Our cheerleaders have worked hard this year and come up with some new ideas for our pep assemblies. New cheers were worked up for the student body to support our Skins. Some of our upperclass guys came up with their own idea to raise spirit. And Mr. Ciota had us all screaming for victory!

Screaming For Victory

People talked last year about the students' lack of enthusiasm in supporting our teams. But everyone really shined at the pep assemblies. Every class made its presence felt during the competition cheers. We're on our way towards backing our teams 100%.

"The Spirit Of Christmas"

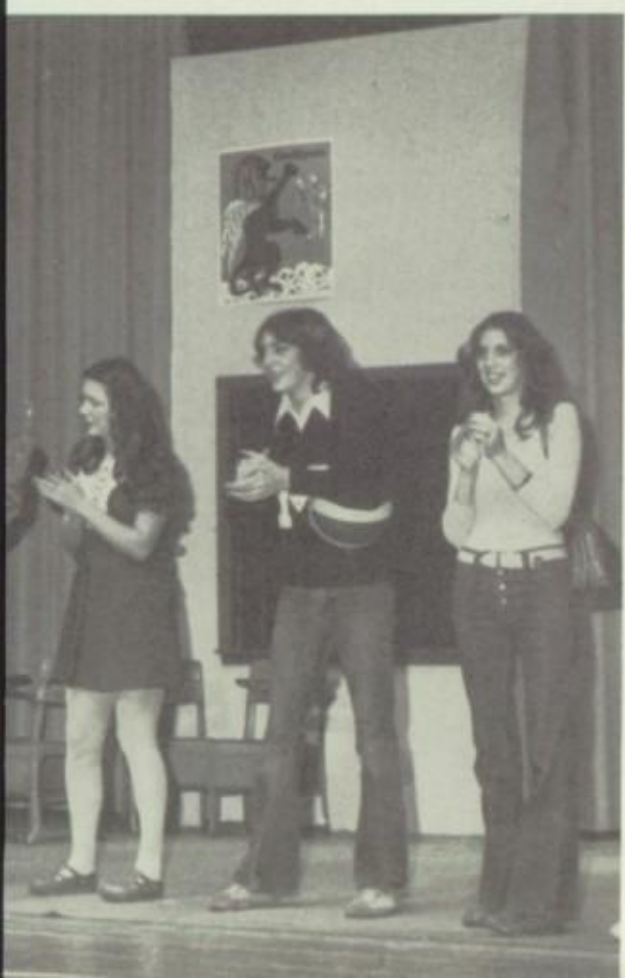

Drama Club Play

The newly formed Drama Club put on the 2nd Annual Christmas play for the entire student body. The play was written by Lisa Smith, Sue Morse and Miss Garzone. It was directed by Sue Morse with help from Miss Garzone.

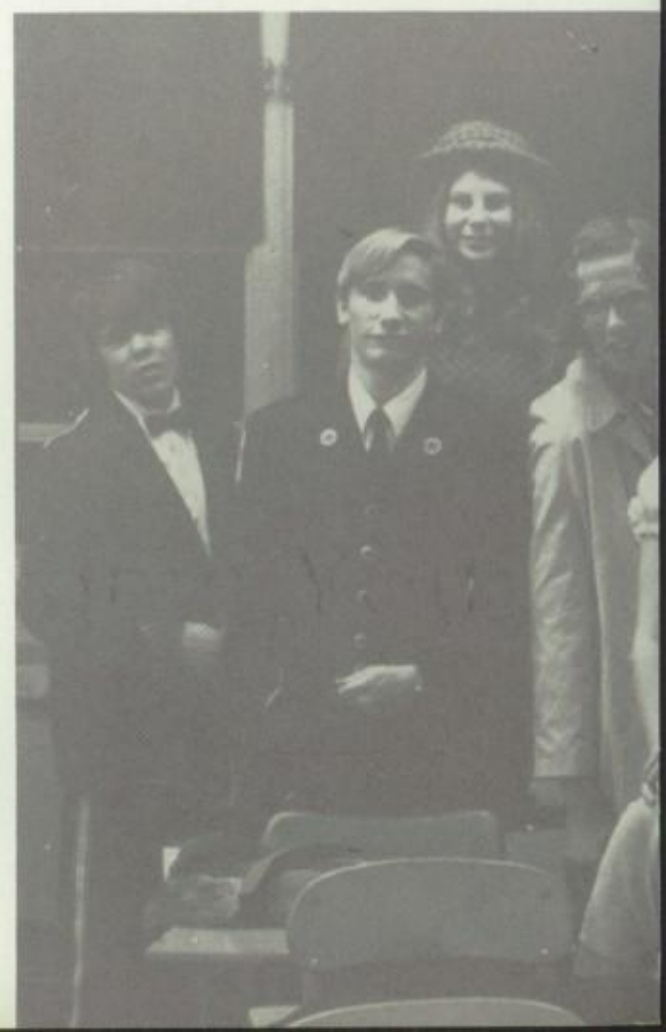

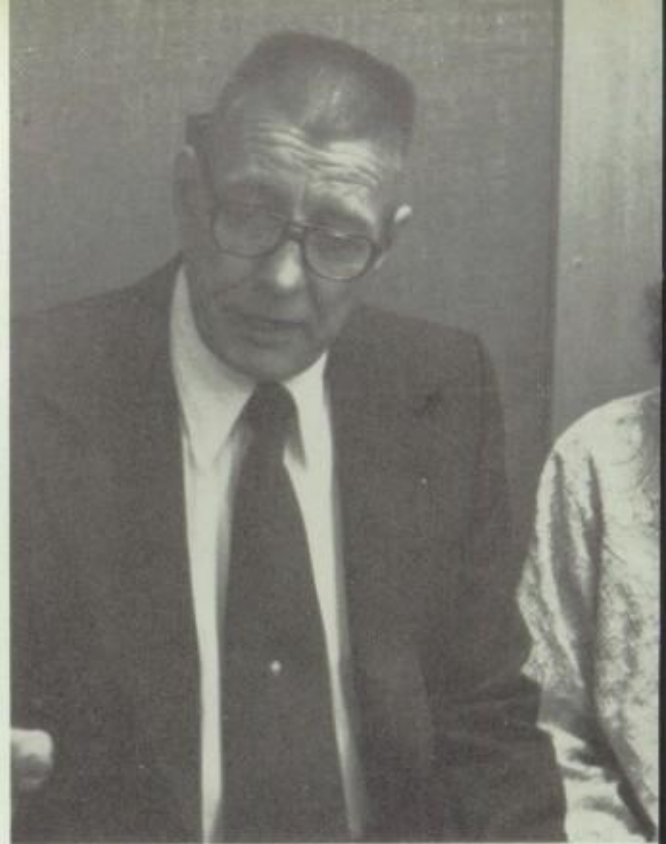

This year's play involved some of the faculty along with many students in the different phases of production.

Christmas Comes To MCHS.

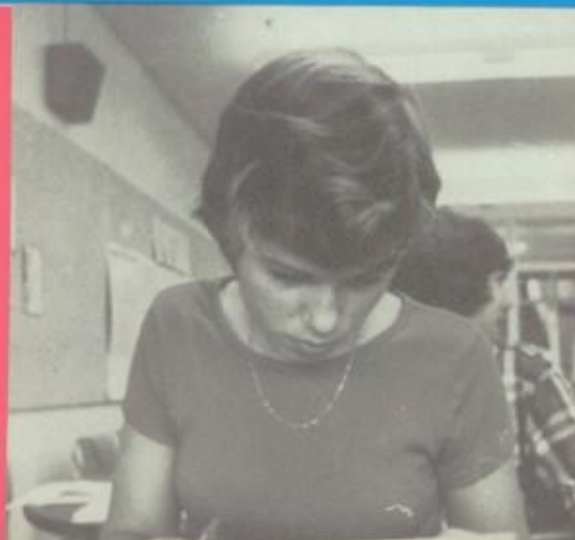

We all knew that Christmas was near when Santa started strolling the halls. French club sponsored his arrival and entertained him with a skit. Delta Phi had art students painting windows in the school office and art annex. The Delta Phi club also held a locker decorating contest. Prizes were awarded to the top three. And after school, our own Mr. Corsello could be found at Santa's Liberty Street headquarters, listening to secret wishes of little kids.

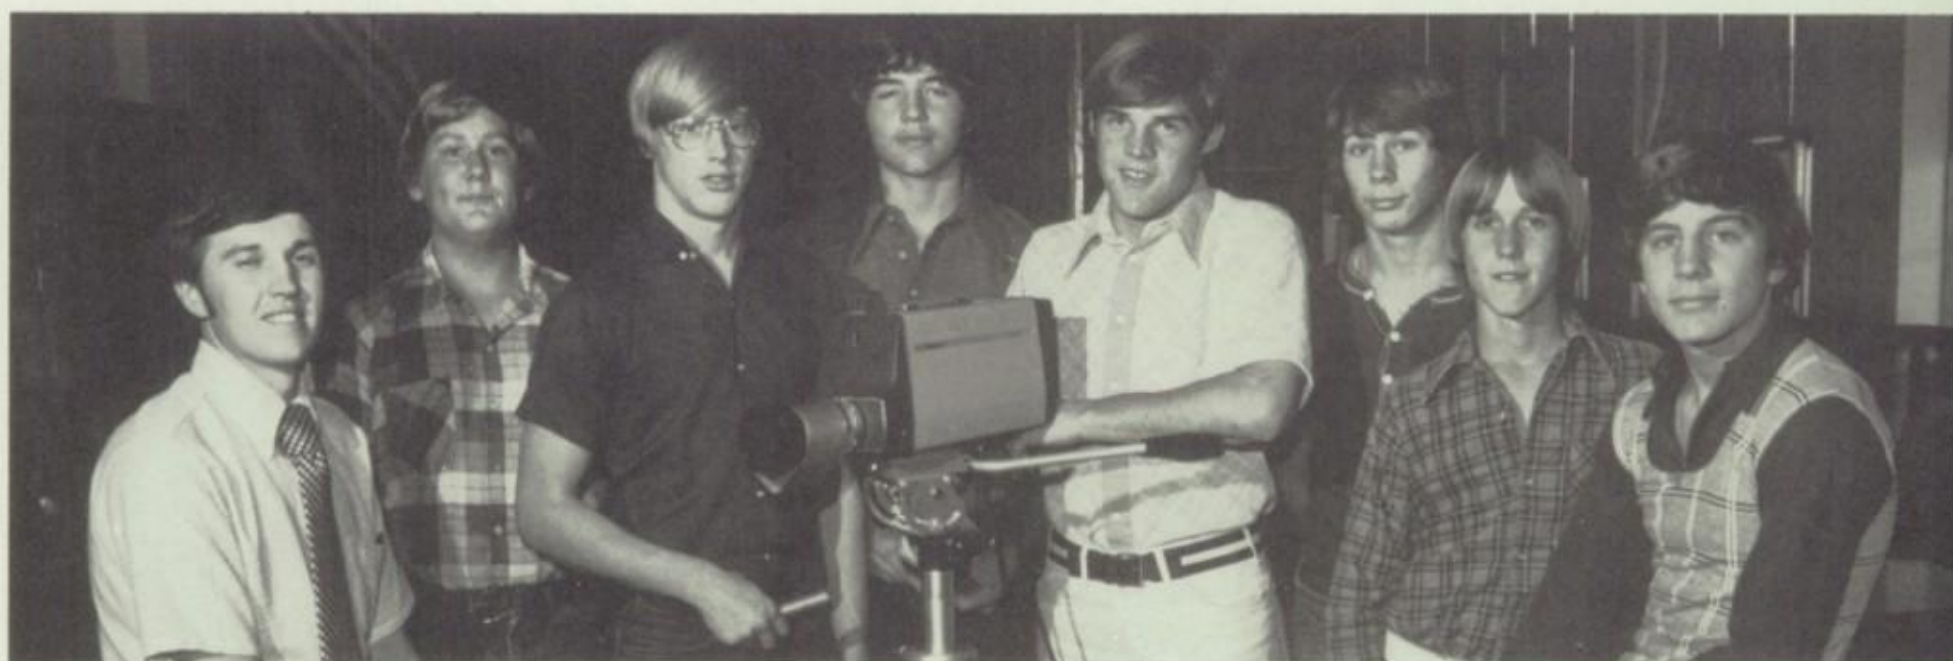

School is much more than just classroom study. We also have the opportunity of doing interesting things and meeting new people. One way to do both is to become involved in extracurricular activities. One of the most popular form is clubs. There is something for just about everybody in the many . . .

Student Council Strives

The 1975-76 Student Council year has been very productive. The main projects have been stepping stones to a successful year. The Homecoming this year had an outstanding theme and excellent participation by the student body. The theme was "Bicentennial," and during the Homecoming assembly, Student Council presented the school with a Bicentennial flag.

Band is busy this year.

This year, the band received new uniforms purchased by the Board of Education. The band has gone to different schools in the area, to interest incoming freshmen in the music program at M.C.H.S. They had their winter concert February 15, and played at Jefferson Square shopping center on March 2. They also competed in contests in Normal on April 10. The band played at basketball games and football games throughout those seasons. Appearing in parades was also a highlight of the year. The spring band concert presentation was on April 25.

FNA invites speakers from the professional world.

For girls interested in a nursing career, FNA is the ideal club. Most of their activities center around nursing, although they sponsor a coat check during basketball season to raise money. They invite nurses, doctors, etc. to speak at their meetings. The purpose of the club is to make the members more knowledgeable about health careers.

Guys and girls put much time and effort into preparing for each athletic contest: and this year over 500 of them were scheduled. They really put their hearts into beating the opposing school in any of 15 different sports. And they did beat them--by wielding a tennis racket or by making a touchdown. Interest keeps mounting in . . .

Wrestlers have undefeated season!!!

The Wrestling Squad provided us with an undefeated season of 18-0-1 thanks to the presence of talent in all individual weight classes. Freshmen held up their end as well as the five seniors who are leaving the squad: Gehrig Dergo, Bob Barry, Doug Hayse, John Hougas, and Greg Enerson. The team captured first place in the Princeton Tourney and in the Little Seven Conference, a second in the Rockford Invationals and in Districts, and a fourth at Sectionals. Gehrig Dergo, George Dergo, and Rick Bell advanced to State Competition in Champaign. Gehrig Dergo then captured the State championship in the 167 lb. weight class.

Morris Varsity displayed hustle and spirit in every game.

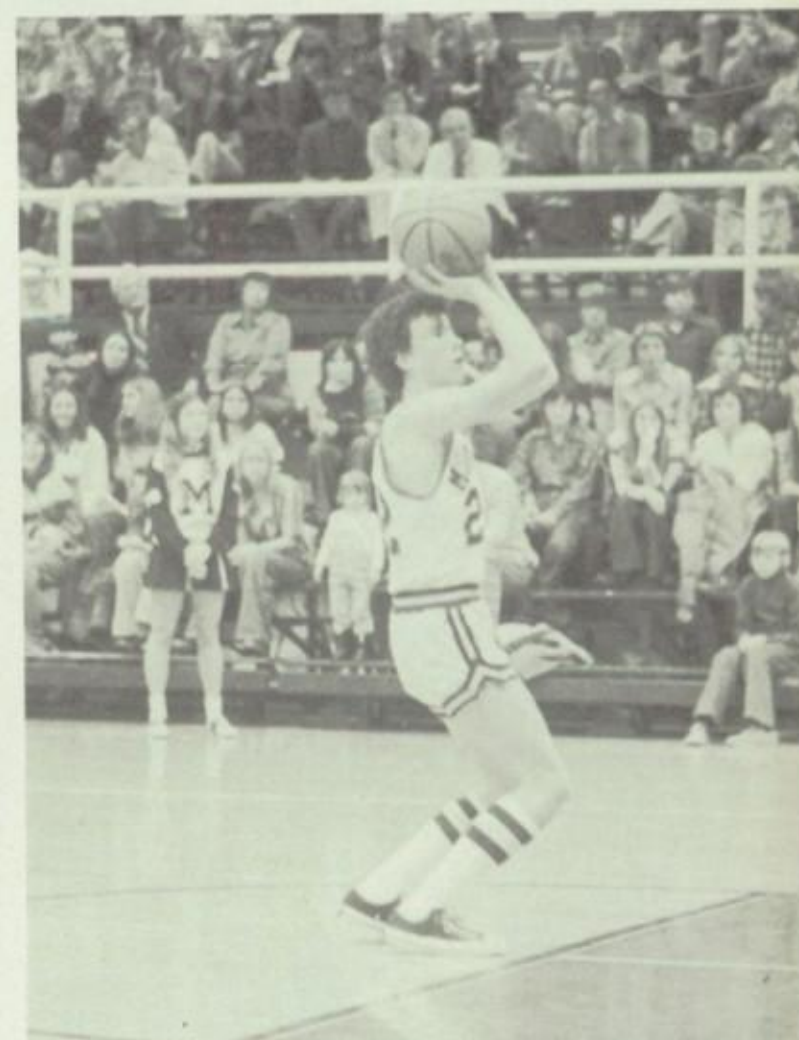

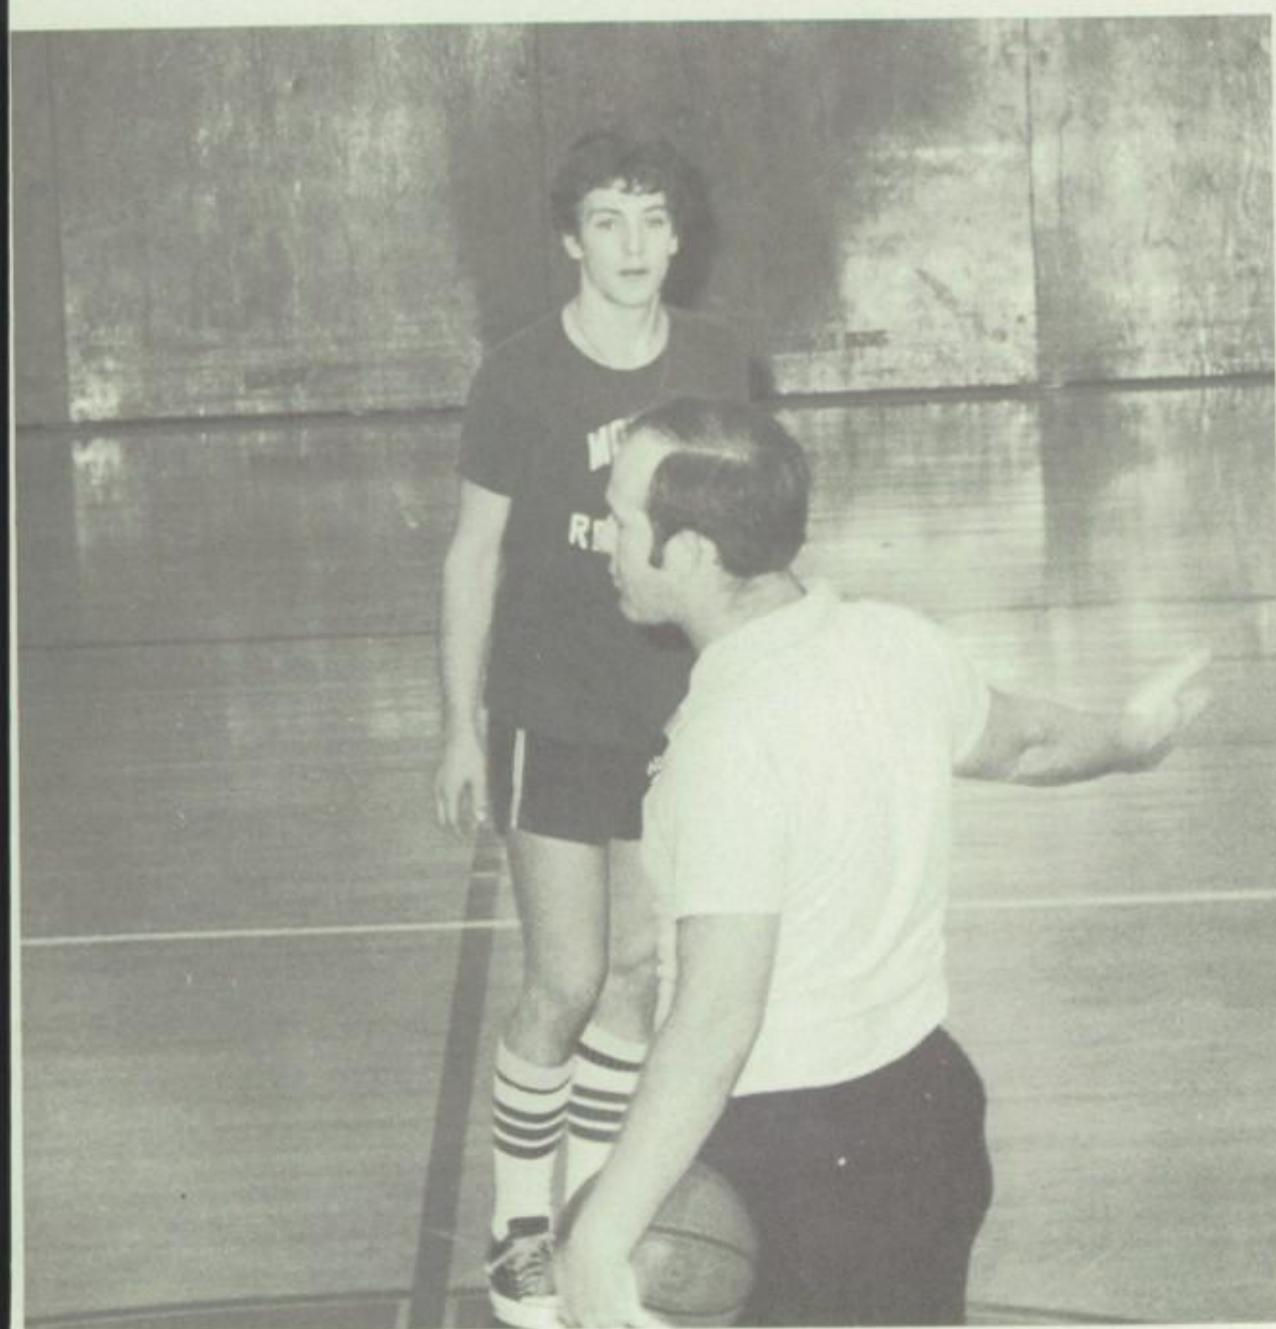

The varsity team's win-loss record (9-14) was misleading because the team was in every ball game they played. Their losses were mostly very close. The entire team showed amazing spirit throughout the season, never giving up once. The varsity was an exciting team to watch. Their most stunning victory was over Waubonsie Valley with an unprecedented score of 117-23. Next year's team will miss out on eight seniors.

Varsity volleyball team compiles best record in 3 years.

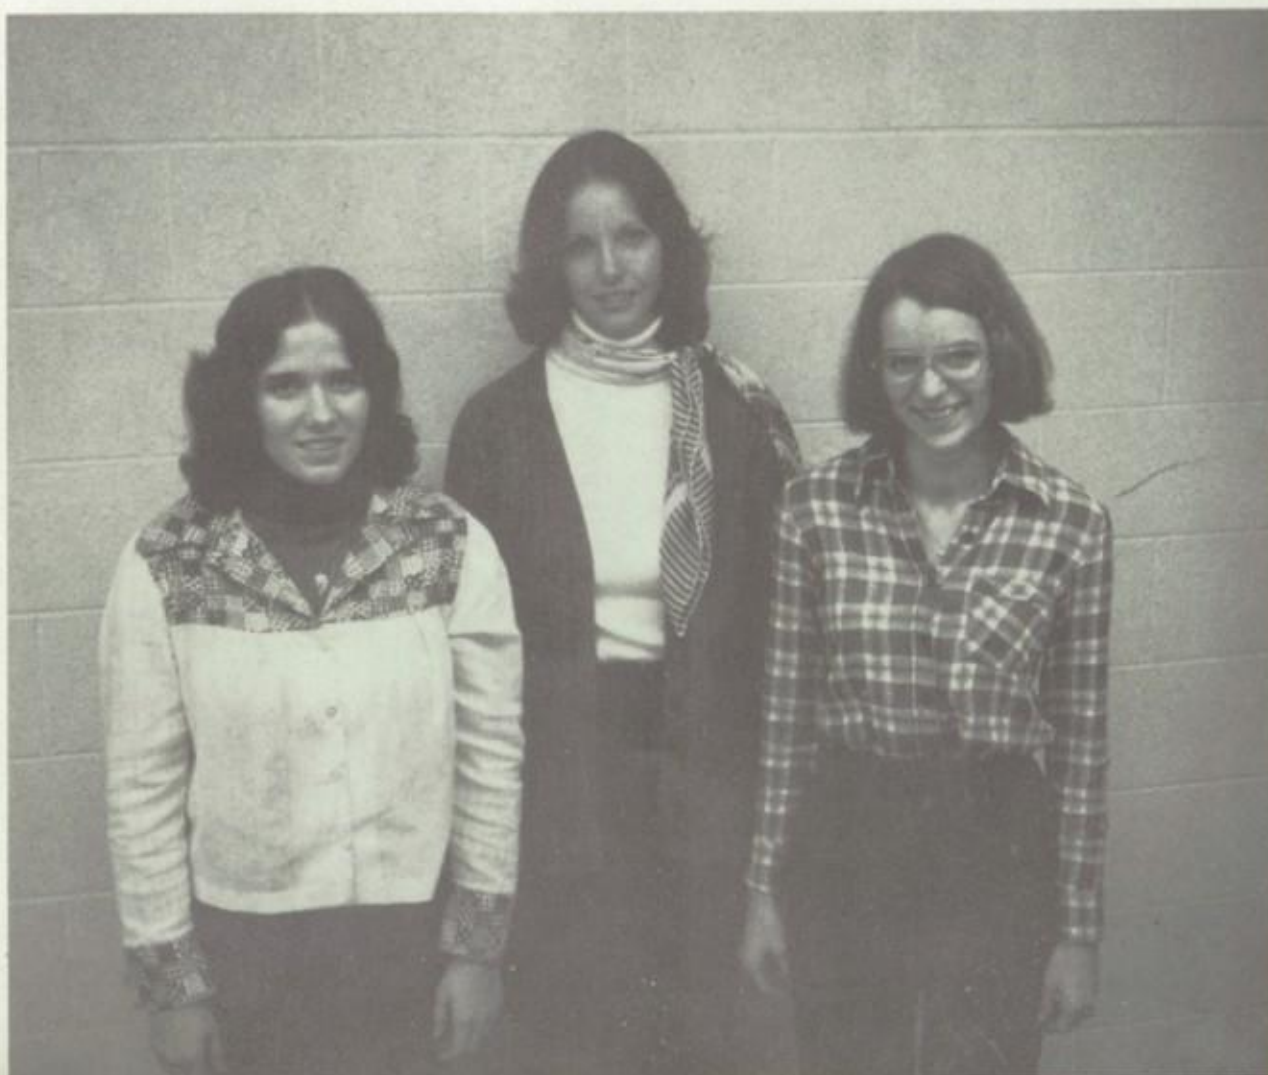

The Varsity Volleyball team ended their season with a 8-8 record - the best record a Morris volleyball team has ever had. Behind the two high point getters, Holman and Sklut, and the fine gameplay of Headrick, Spangler, and Butterfield, the girls played very exciting and skillful volleyball. With more experience in interscholastic competition, the succeeding teams should improve.

Ferris, Bell and Gill lead Bowling team to a five-game winning streak.

Coach Shortt was very pleased with this year's bowling team. They had a five-game winning streak, the school's record. The team bowled exceptionally well under some bad conditions. The team placed 2nd in the conference, with all-conference bowlers Sue Ferris, Beth Bell, and honorable mention Carol Gill leading the whole way.

Freshmen put forth the effort.

Sports means fun during the summer.

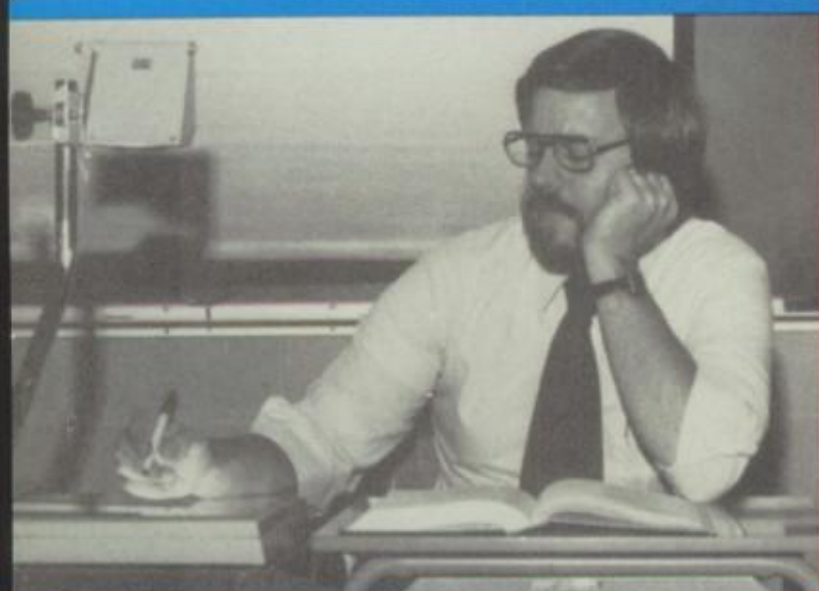

Participation in Sports was extended into the summer. Two of the most popular sports were baseball and tennis. Interest in tennis was so high, in fact, that the Gould Park courts were resurfaced and provided with lights. There were numerous baseball programs for all ages. many of the teams used our new lighted ball park.

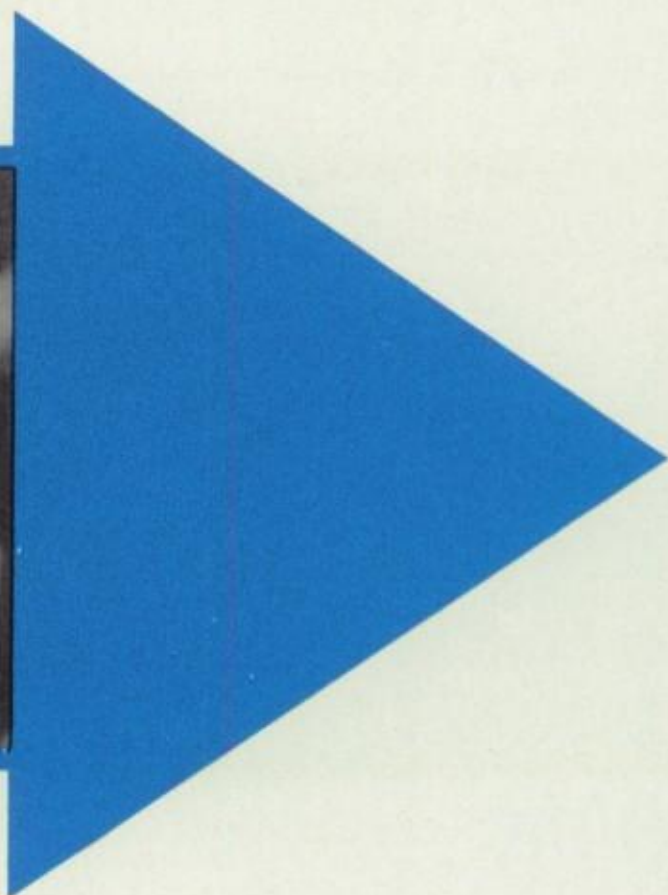

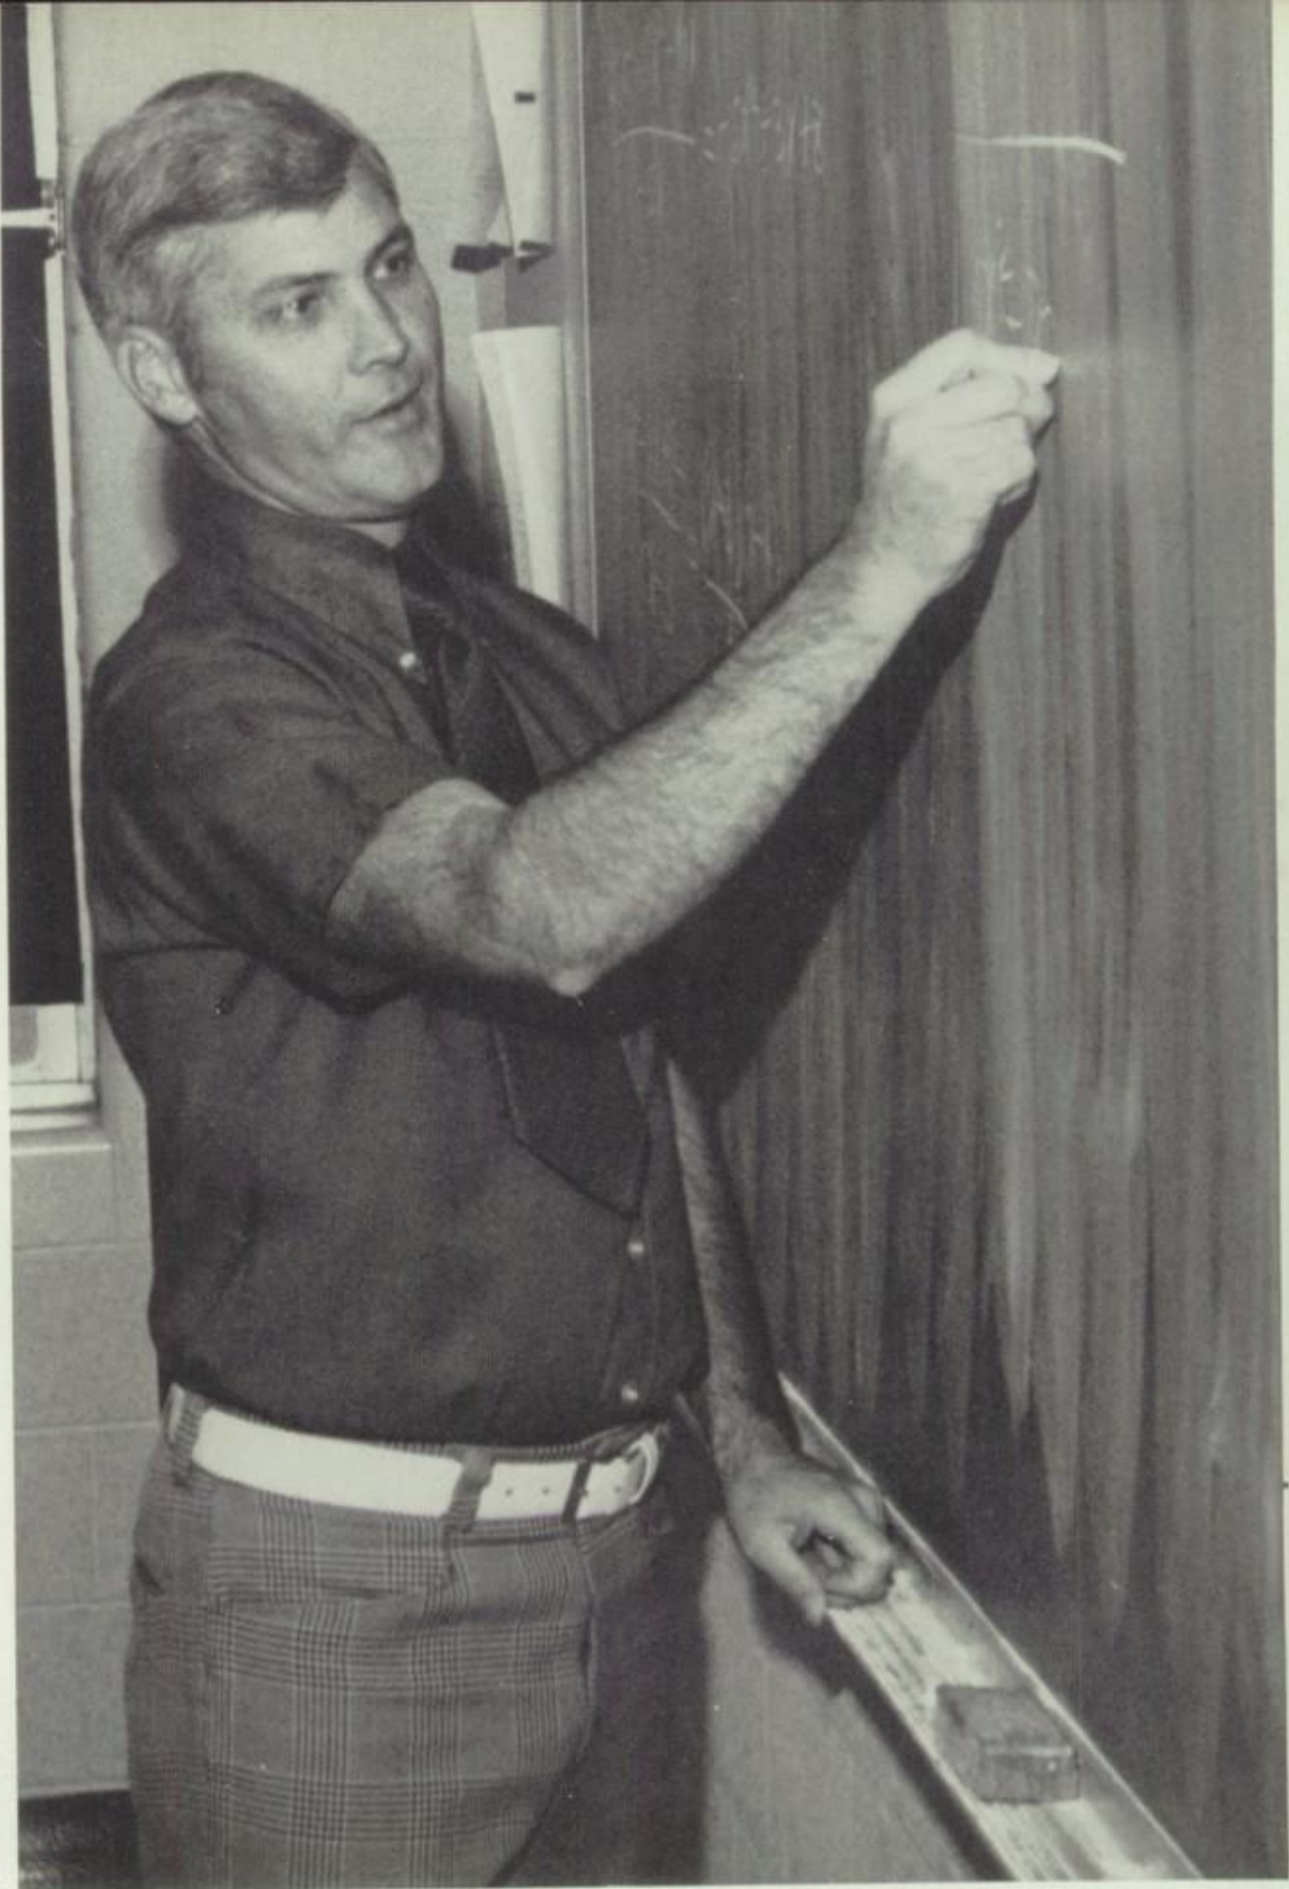

Each year our faculty members manage to present their subjects in an interesting manner. They help us over the rough spots with extra help, challenge us with plenty of work, and laugh with us over classroom antics. When we refer to our school we're not thinking of the building but the students that it consists of. Each student contributes something to the school, regardless of how big or small. Our student body is made up of over 950 different persons, each having his own interests and talents. Each person makes up the . . .

STUDENT BODY

Not the Same

Perhaps you should know that I am not
the same person you knew yesterday.
I am not the person you left when
you went away.

I am strong and have my own ideas about
the way things ought to be.
I've done some things and I've changed some things
and some of the things have bittered me.

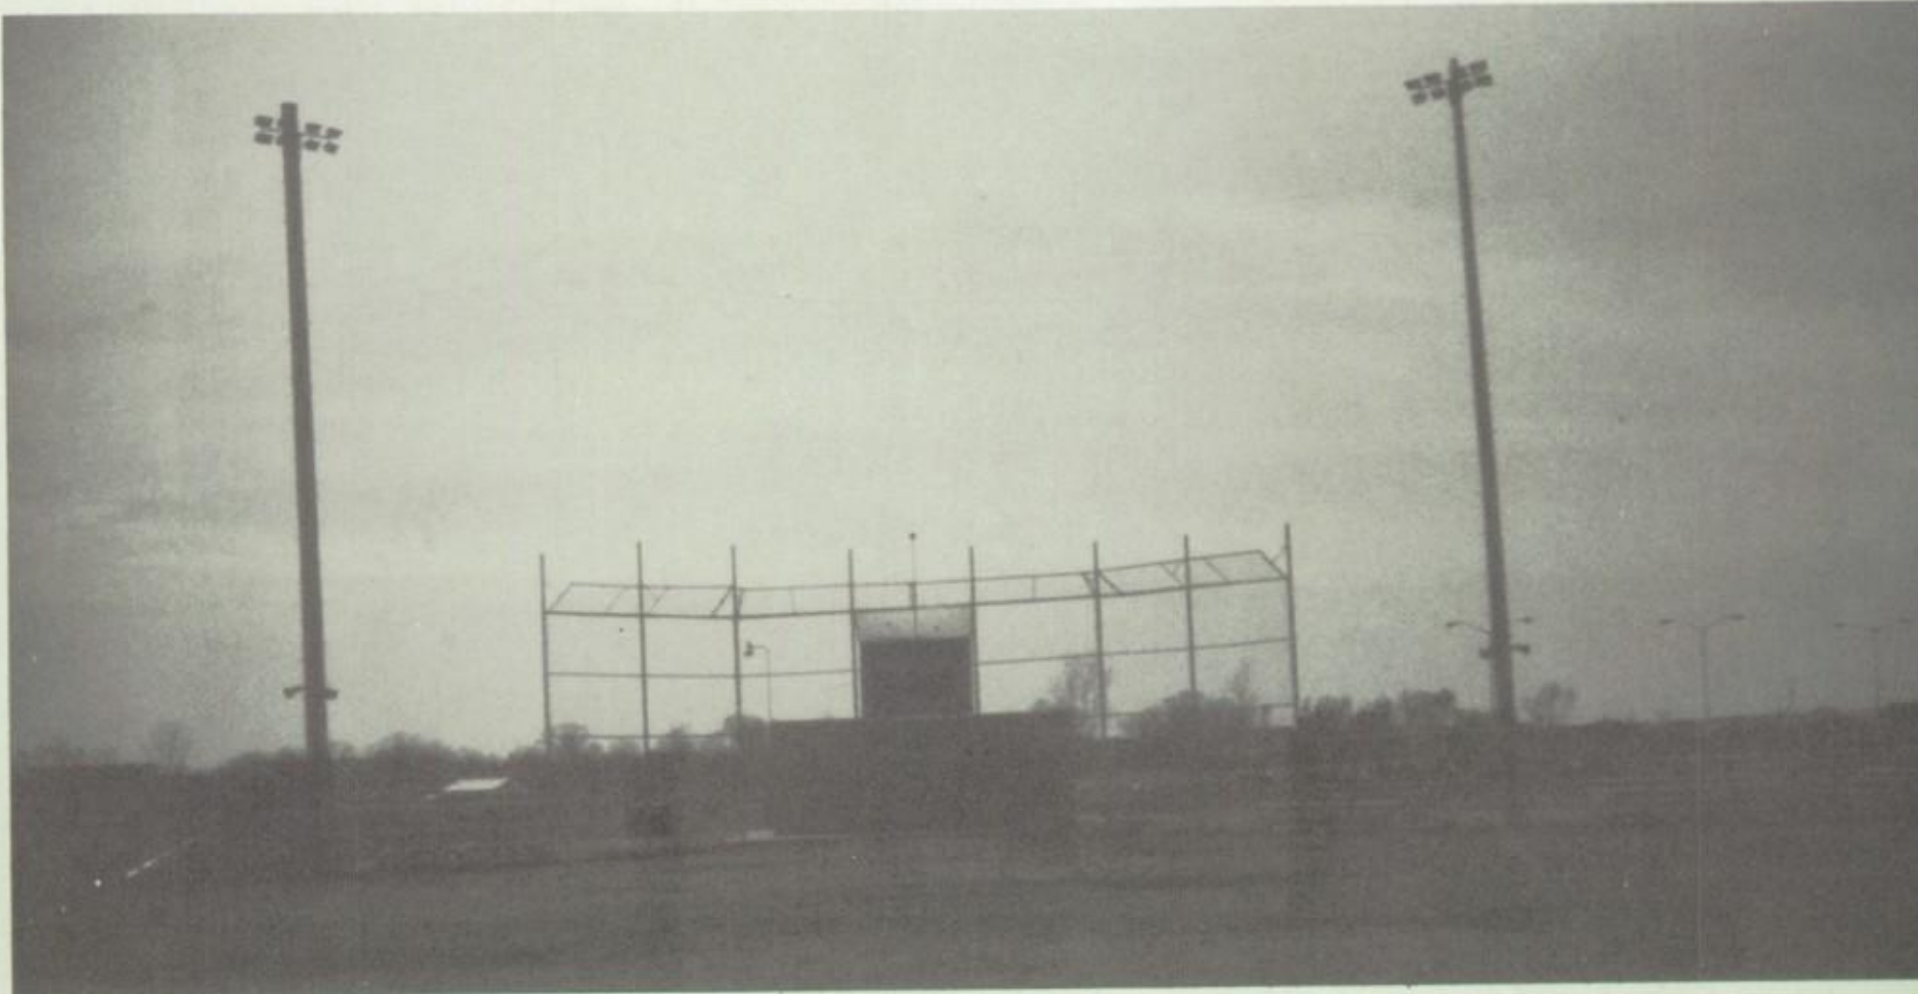

I'm just not the same child
you left here.
I'm not the same person that shed
that useless tear.

Over things that aren't important today
and weren't all that important then
If you can take me for what I am;
for what I was, and for what I will be.

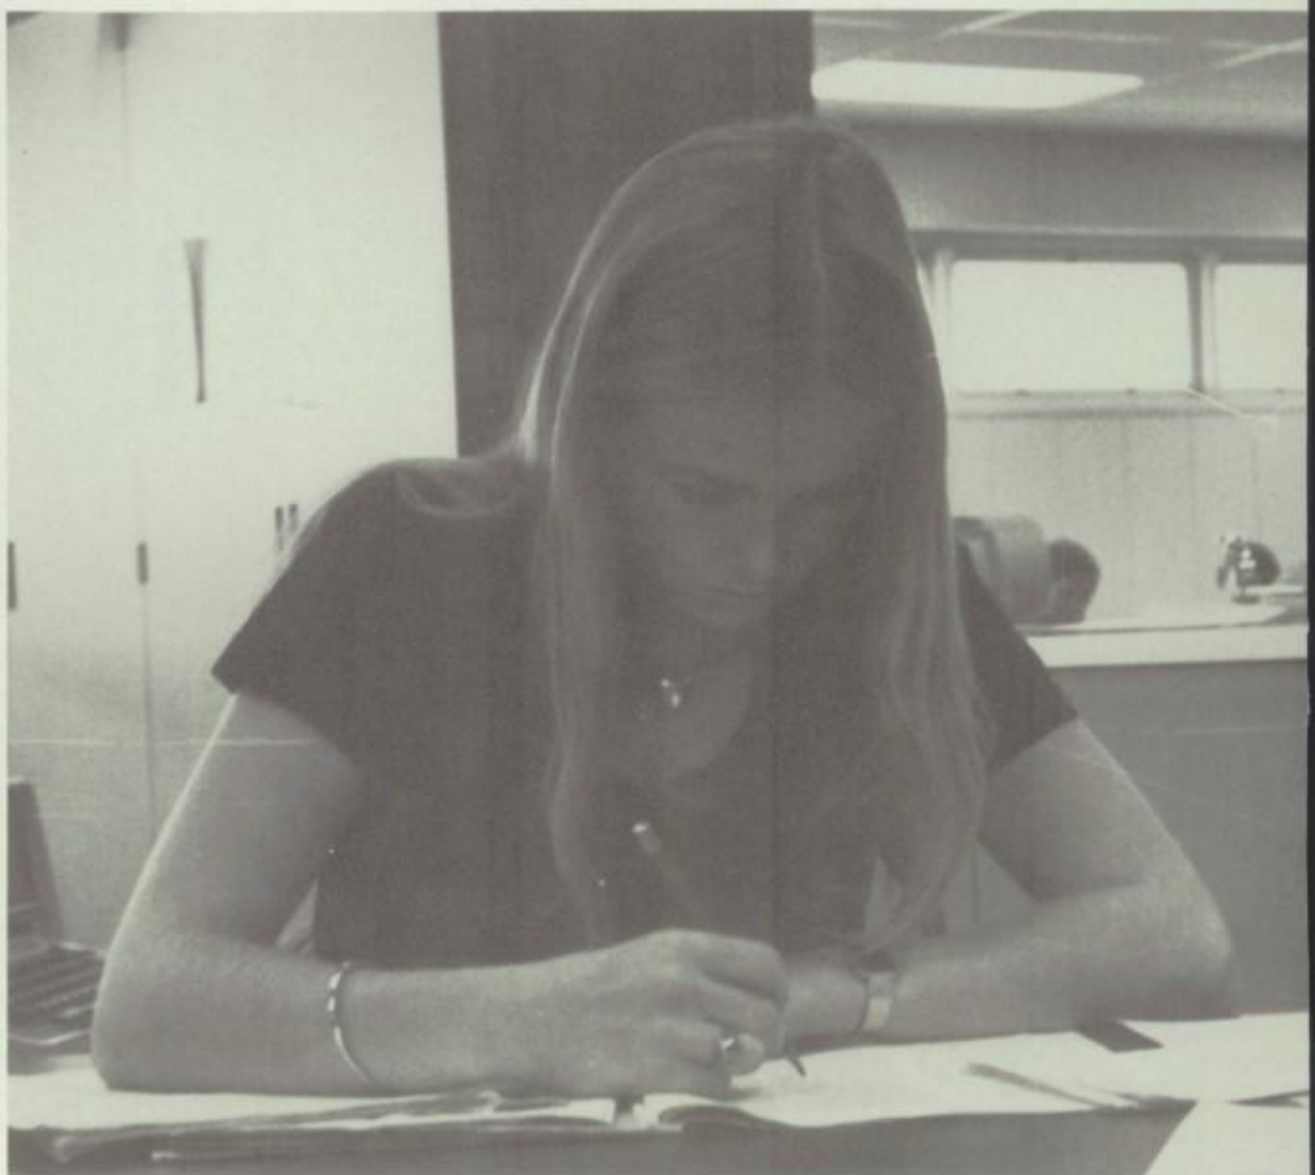

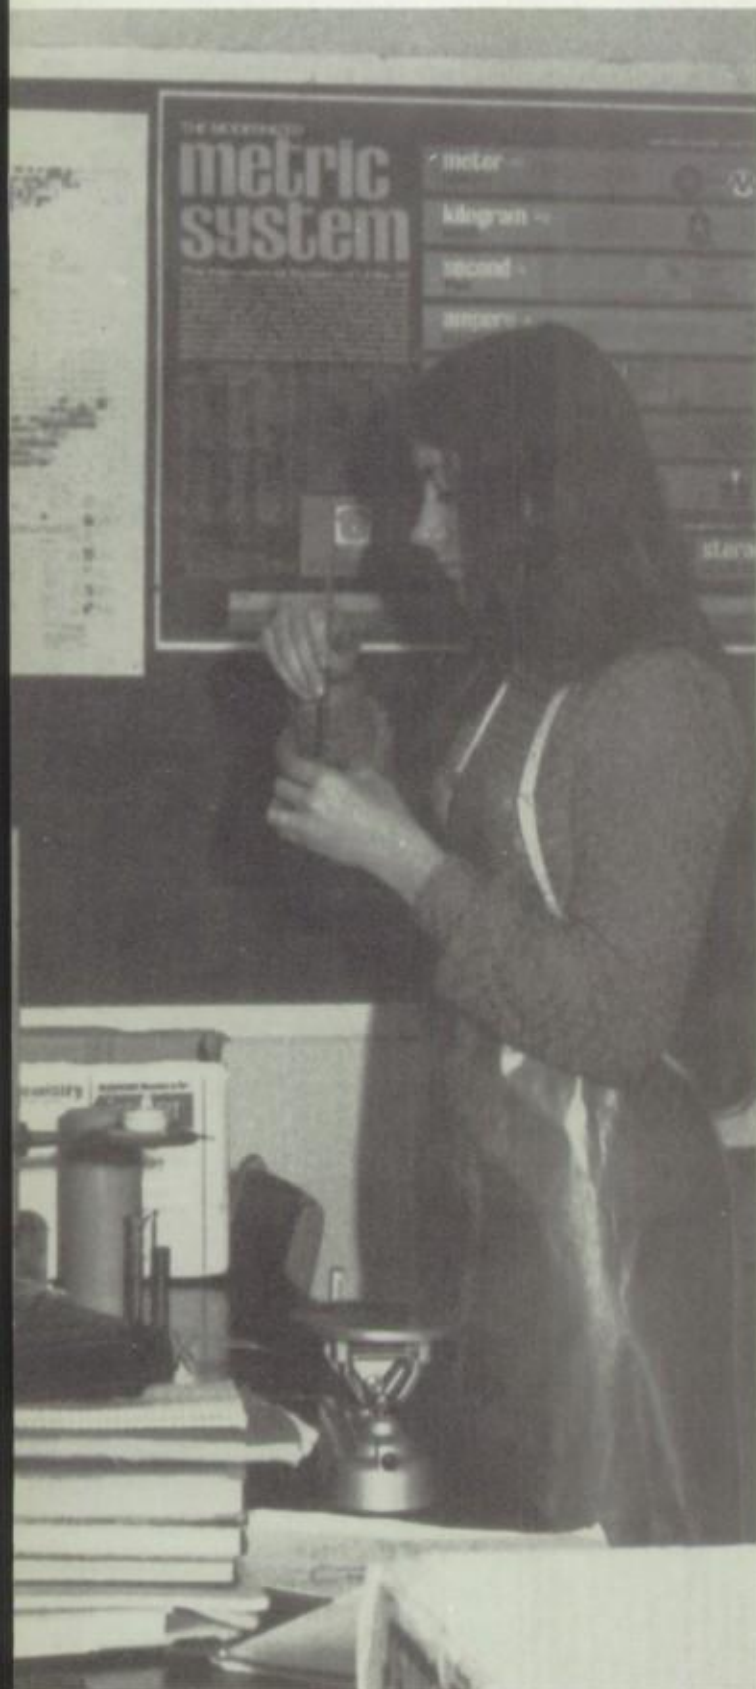

Then why don't you come
and sit with me.
But if you can't
then just leave.

Remember that we were not meant to know each other,
and yet we did.
For now you know that I am not the same person you knew yesterday
and I won't be the same tomorrow-either.

HOSPITAL

All of MCHS students make up a part of the total commercial scene in Morris. The community as well as the school is in the process of changing . . . Two of our largest banks have added drive up windows. Stores are always changing ownership. Not always when we pull into a gas station do we see male attendants. We're moving in new directions in . . .

The hardest years of our lives
dwell now within our youth
when we need understanding
and strive to know the truth.

We reach for love from strangers
and call a name unknown,
walk life's road of darkness
so silently, we're alone.

We cling to others for answers,
filled with dark despair,
clench our hands in anger
life's a burden, hard to bear.

And yet we go on living,
growing stronger day by day
and we shall not give up hope
with happiness on its way.

For we're headed in new directions
and someday we shall find
the happiness we all long for
and a little peace of mind.

Sori,
Remember
our picnic and
going swimming.
It's something we're
going to have to do pretty
soon again. Good-luck with
Tom and have fun this summer

When's the next picnic? You'll have
to come. Hope since we live so close
that we get to know each other a little
better. Have a blast this summer,
and don't get into a lot of
trouble. Love
Mitch

Lori,

I really don't know where to begin I have
so much to say. Don't ever forget the time you
dropped your money in Dairy Queen when "FUNK"
walked in. That was so funny. Don't forget
Corn Festival last year and all the fun we
had. We'll have to do it again this year. Al-
so the time you came over to my house and
sat ~~in~~ in my room hiding from my lit-
tle sister. We were feeling pretty good that
night weren't we? Remember the trip we took
out to McDonalds that night and it took
us at least an hour to get back to my
house. I'm really glad I have you for a
friend. I know I can talk to you any-
time and that really makes me feel
good! We've had so many fun times together.
Even though we don't hang around together
as much I still consider you my best and
you always will be. Goodluck with "Funk."
I know how much you like him for,
and I can't say as I blame you! Call
me sometime OK? Love,
Lori 1-78

Lou,
Don't forget to exercise your artistic talents over the summer. We were the best when it came to art. Take good care of your body this summer & make him do what you say. It really took a lot of patience not to take O'Hagen's life by all means Lorie do not behave yourself this summer! Linda

I'm sure there's sweetest
are such good friends & I hope that
we stay as good friends & we
are now that we've had all the
fun and all the cheerfulness
together with the club members
I wish me to see you & Tom
soon -
Yours
HFAHA!!

LORI,
WELL, I FINALLY MADE
THROUGH GOOD 'OL MCHS.
I REALY HAD A GOOD TIME
RUNNING WITH YOU. YOU
ARE A REAL GOOD KID.
I HOPE YOU KEEP UP
THE GOOD WORK IN
TRACK. HAVE LOTS
OF FUN THESE LAST
YEARS HERE. GOOD
LUCK AND I EXPECT
TO READ ABOUT LORI
MOSS GOING TO STATE
NEXT YEAR.
